NBP Fullerton Asset Management Limited (NAFA) claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS Standards. NAFA has not been independently verified.

Definition of Firm

NAFA is a Non-Banking Finance Company with a license to perform Asset Management Services as per the NBFC Rules, 2003. NAFA is a subsidiary of National Bank of Pakistan; the other main sponsor is Alexandra Fund Management Pte. Ltd., (a member of Fullerton Fund Management Group, Singapore, which in-turn is a wholly owned subsidiary of Temasek Holdings, Singapore). NAFA's main area of business is Investment Management; more specifically floating and managing mutual funds, providing investment advisory and discretionary portfolio management services.

NOTES

1. This composite was created on October 24, 2012. The inception date of the composite is June 01, 2009. Presently NAFA Government Securities Liquid Fund, NAFA Money Market Fund and Money Market sub-Fund of NAFA Pension Fund comprise this composite.
2. Authorized investments of the Money Market Composite include short-term AAA rated Government Securities; deposits of AA and above rated banks, money market placements and commercial papers with remaining maturity of less than six months. The weighted average maturity of portfolios in this composite cannot exceed ninety days. No direct or indirect exposure to equities and corporate bonds is allowed¹. Composite investment guidelines allow zero to hundred percent between Government Securities and private enterprise placements, mainly banks. However, in

NGSLF a minimum of 75% allocation in short-term T-Bills is maintained. The minimum size of portfolio for inclusion in the composite is PKR 5 million.

3. The benchmark is 50% 3-Months T-Bills Rate and 50% three months term deposit rate of AA and above rated banks. The performance of the benchmark is based on gross returns and therefore not adjusted for any expenses or fees.
4. Policies regarding portfolio valuation, return calculation and compliant presentations are available upon request.
5. The three-year annualized standard deviation measures the variability of the composite and the benchmark returns over the preceding 36 months.
6. Complete list of composite descriptions is available upon request.
7. The portfolios in the composite follow International Accounting Standards (IASs), International Financial Reporting Standards (IFRS), NBFC Rules 2003, NBFC & NE Regulations 2008, Voluntary Pension System Rules 2005 and directives issued and enforced by SECP from time to time.
8. Composite dispersion is not mentioned as the number of portfolios in the composite is less than five.
9. The earnings of mutual funds and pension sub-fund in the composite are exempt from income taxes as per applicable tax law covered in Clause 99 and Clause 57-1 (viii), of Part I of the second schedule to the Income Tax Ordinance 2001, respectively. Similarly mutual funds and pension funds are exempt from with-holding taxes under the various sections of Income Tax Ordinance 2001.
10. The reported returns of the composite are net of management fee and all other expenses including sales tax & FED on management fee, and transactions expenses. Other expenses mostly include fees related to Trustee, SECP, audit, rating and listing, and WWF provisioning. The management fee of the portfolios in the composite is up to 1.25% p.a. presently with a lower limit of 1% p.a. Cost of front end load if applicable is not included in the reported performance.
11. All investments in mutual funds and pension funds are subject to market risks. Please read the Offering Documents to understand the investment policies and risks involved. Past performance is not necessarily indicative of future results.

1. In Money Market Sub-Fund of NAFA Pension Fund, investment in corporate debt securities with remaining maturity of up to six months is allowed.

NAFA is a subsidiary of National Bank of Pakistan; the other main sponsor is Alexandra Fund Management Pte. Ltd., (a member of Fullerton Fund Management Group, Singapore, which in-turn is a wholly owned subsidiary of Temasek Holdings, Singapore). NAFA's main area of business is Investment Management; more specifically floating and managing mutual funds, providing investment advisory and discretionary portfolio management services.

NOTES

1. This composite was created on October 24, 2012. The inception date of the composite is May 01, 2006. Presently NAFA Income Opportunity Fund and NAFA Income Fund comprise this composite.
2. Authorized investments of the Income Composite include corporate bonds (BBB- and above rated), Government Securities, bank deposits (A- minimum rating), money market placements (A- minimum rating), commercial papers (A- minimum rating) and Margin Trading System (MTS) – financing against shares at pre-determined profit rates. The composite mandate requires a certain

minimum allocation in cash and near cash instruments. The portfolios primarily hold Government Securities, bonds and banks deposits presently. The weighted average maturity of portfolios in the composite cannot exceed four years. The minimum size of portfolio for inclusion in the composite is PKR 5 million.

3. The benchmark is 6-Months KIBOR. The performance of the benchmark is based on gross returns and therefore not adjusted for any expenses or fees.
4. Policies regarding portfolio valuation, return calculation and compliant presentations are available upon request.
5. The three-year annualized standard deviation measures the variability of the composite and the benchmark returns over the preceding 36 months.
6. Complete list of composite descriptions is available upon request.
7. All portfolios in the composite follow International Accounting Standards (IASs), International Financial Reporting Standards (IFRS), NBFC Rules 2003, NBFC & NE Regulations 2008 and directives issued and enforced by SECP from time to time. Further, the Firm's provisioning policy for debt securities as per SECP directive is available on the Firm's website.
8. Composite dispersion is not mentioned as the number of portfolios in the composite is less than five.
9. The earnings of mutual funds in the composite are exempt from income taxes as per applicable tax law covered in Clause 99 of Part I of the second schedule to the Income Tax Ordinance 2001. Similarly mutual funds are exempt from with-holding taxes under the various sections of Income Tax Ordinance 2001.
10. The reported returns of the composite are net of management fee and all other expenses including sales tax & FED, transactions expenses, Trustee, SECP, audit, rating, listing fees and WWF provisioning. The management fee on the portfolios in the composite is up to 1.5% p.a. presently. Cost of front end load if applicable is not included in the reported performance.
11. Many corporate bonds in Pakistan defaulted in 2008 amid severe liquidity and economic crises. Certain holdings of the portfolios in the composite are now rated below the specified rating threshold, however all non-performing bonds in the composite have been fully provided. Subsequently, some bonds have been fully redeemed and rating of some of the bonds has already been upgraded to the requirement of Composite definition. Recoveries from such non-performing securities have already started and further recoveries may be possible over the long horizon.
12. All investments in mutual funds are subject to market risks. Please read the Offering Documents to understand the investment policies and risks involved. Past performance is not necessarily indicative of future results.

NOTES

1. This composite was created on October 24, 2012. The inception date of the composite is February 1, 2010. Presently forty seven (47) discretionary portfolios (investment directly in asset class) & plans (investment via mutual funds) comprise this composite.
2. Authorized investments of the Capital Protected Composite include low risk assets (Cash/ T-Bills/ very low risk money market/ income funds) and high risk assets (highly liquid shares in KSE 100 index/ Equity related mutual funds). The investment objective of the strategy is to benefit from the upside of the market along with capital protection. The degree of capital protection and time at which capital protection is applicable varies. The minimum size of portfolio in the composite is PKR 1 million.
3. The benchmark is 6-Months KIBOR. The performance of the benchmark is based on gross returns and therefore is not adjusted for any expense or fees.

4. Policies regarding portfolio valuation, return calculation and compliant presentations are available upon request.
