NBP Fullerton Asset Management Limited (NAFA) claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS Standards. NAFA has not been independently verified.

## Definition of Firm

NAFA is a Non-Banking Finance Company with a license to perform Asset Management Services as per the NBFC Rules, 2003. NAFA is a subsidiary of National Bank of Pakistan; the other main sponsor is Alexandra Fund Management Pte. Ltd., (a member of Fullerton Fund Management Group, Singapore, which in-turn is a wholly owned subsidiary of Temasek Holdings, Singapore.). NAFA's main area of business is Investment Management; more specifically floating and managing mutual funds, providing investment advisory and discretionary portfolio management services.

## NOTES

1. This composite was created on October 24, 2012. The inception date of the composite is June 01, 2009. Presently NAFA Government Securities Liquid Fund and NAFA Money Market Fund comprise this composite.
2. Authorized investments of Money Market Composite include short-term Government Securities; deposits of AA and above rated banks, money market placements and commercial papers with remaining maturity of less than six months. The weighted average maturity of portfolios in this composite cannot exceed ninety days. No direct or indirect exposure to equities and corporate bonds is allowed.

**Disclaimer:** This publication is for informational purposes only and nothing herein should be construed as a solicitation, recommendation or an offer to buy or sell any fund. All investments in mutual funds are subject to market risks. The NAV based prices of units and any dividends/returns thereon are dependant on forces and factors affecting the capital markets. These may go up or down based on market conditions. Past performance is not necessarily indicative of future results.

Composite investment guidelines allow zero to hundred percent between Government Securities and private enterprise placements, mainly banks. However, in NGSF a minimum of 75% allocation in short-term T-Bills is maintained. The minimum size of portfolio for inclusion in the composite is PKR 5 million.

3. The benchmark is 50% 3-Months T-Bills Rate and 50% three months term deposit rate of AA and above rated banks. The performance of the benchmark is based on gross returns and therefore not adjusted for any expenses or fees.
4. Policies regarding portfolio valuation, return calculation and compliant presentations are available upon request.
5. The three-year annualized standard deviation measures the variability of the composite and the benchmark returns over the preceding 36 months.
6. Complete list of composite descriptions is available upon request.
7. All portfolios in the composite follow International Accounting Standards (IASs), International Financial Reporting Standards (IFRS), NBFC Rules 2003, NBFC & NE Regulations 2008 and directives issued and enforced by SECP from time to time.
8. Composite dispersion is not mentioned as the number of portfolios in the composite is less than five.
9. The earnings of mutual funds in the composite are exempt from income taxes as per applicable tax law covered in Clause 99 of Part I of the second schedule to the Income Tax Ordinance 2001. Similarly mutual funds are exempt from with-holding taxes under the various sections of Income Tax Ordinance 2001.
10. The reported returns are net of management fee and all other expenses including sales tax & FED, transactions expenses, Trustee, SECP, audit, rating, listing fees and WWF provisioning. The management fee on the portfolios in the composite is up to 1.25% p.a. presently.

## NOTES

1. This composite was created on June 26, 2013. The inception date of the composite is January 1, 2013. Presently three discretionary portfolios comprise this composite.
2. Authorized investments of the Islamic Capital Protected Composite include low risk assets (Shariah compliant bank deposits / GOP Ijara Sukuks/ very low risk Islamic income funds with high stability rating) and high risk assets (Shariah compliant listed equities that primarily form part of KMI 30 Index/ Shariah compliant Equity related mutual funds). The investment objective of the portfolios in the Composite managed under the Islamic Capital Protected Strategy is to benefit from the upside at the stock market alongwith capital protection, while remaining within the Shariah compliant universe. The degree of capital protection and time of which capital protection is applicable varies. The minimum size of portfolio for inclusion in the composite is PKR 1 million.
3. The benchmark is 6-Months KIBOR. The performance of the benchmark is based on gross returns and therefore not adjusted for any expenses or fees.
4. Policies regarding portfolio valuation, return calculation and compliant presentations are available upon request.
5. The three-year annualized standard deviation of the composite and the benchmark are not presented due to non availability of data for the preceding 36 months.

**Disclaimer:** This publication is for informational purposes only and nothing herein should be construed as a solicitation, recommendation or an offer to buy or sell any fund. All investments in mutual funds are subject to market risks. The NAV based prices of units and any dividends/returns thereon are dependant on forces and factors affecting the capital markets. These may go up or down based on market conditions. Past performance is not necessarily indicative of future results.

6. Complete list of composite descriptions is available upon request.
7. All portfolios in the composite follow International Accounting Standards (IASs), International Financial Reporting Standards (IFRS), NBFC Rules 2003, NBFC & NE Regulations 2008 and directives issued and enforced by SECP from time to time.
8. Composite dispersion is not mentioned as the number of portfolios in the composite is less than five.
9. The earnings of mutual funds (for mutual funds based portfolios) in the composite are exempt from income taxes as per applicable tax law covered in Clause 99 of Part I of the second schedule to the Income Tax Ordinance 2001. Similarly mutual funds are exempt from with-holding taxes under the various sections of Income Tax Ordinance 2001. For non-mutual fund based portfolios, the applicability of with-holding taxes on any income, dividends, interest income and capital gains depends on clients' tax status.
10. The reported returns are net of management fee and all other expenses. The management fee on the portfolios in the composite in majority of the cases is performance based fee only, where investment is directly made in authorized low risk component and high risk component. Where underlying authorized investments are mutual funds, the management fee and other expenses which include sales tax & FED, WWF provisioning, transaction / trading expenses, Trustee, SECP, audit, rating and listing fees of the underlying funds are applicable. The management fee of these mutual funds ranges from 1.25% p.a. to 2% p.a. presently.
