DIRECTORS' REPORT

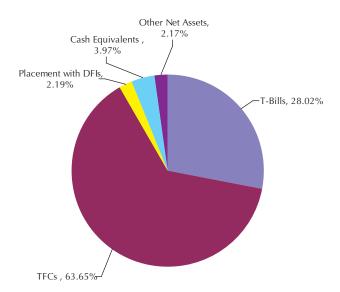

The Board of Directors of NBP Fullerton Asset Management Limited is pleased to present the unaudited financial statements of NAFA Financial Sector Income Fund (NFSIF) for the period ended March 31, 2012.

Fund's Performance

The size of NAFA Financial Sector Income Fund is Rs. 1,825 million as at March 31, 2012. The Fund has earned an annualized return of 12.70% since its inception (October 28, 2011) as compared to its Benchmark (70% 6 month KIBOR & 30% average 3 month deposit rates of A & above rated banks) annualized return of 10.75% for the same period. During the third quarter the size of the Fund increased by 73.81%. During the quarter, the unit price of the Fund has increased from Rs. 10.0202 (Ex - Div) on December 31, 2011 to Rs. 10.3181 on March 31, 2012, thus showing an annualized return of 12.47% as compared to its Benchmark annualized return of 10.73% for the same period.

NFSIF is an Income Scheme that invests a minimum of 70% of its assets in financial sector debt securities, instruments or deposits. Minimum entity rating of issuers of debt securities (mainly banks) is AA-. All debt securities in the Fund are floating rate i.e linked to KIBOR. Duration of the Fund cannot be more than one year. This minimizes interest rate or pricing risk. The Fund invests at least 25% of its assets in less than 90 days T-Bills or saving accounts with banks, which further enhances the liquidity profile of the Fund.

The Fund has earned total income of Rs.77.43 million during the period. After deducting expenses of Rs.13.19 million, the net income is Rs.64.24 million. The asset allocation of the Fund as on March 31, 2012 is as follows:

Income Distribution

The Board of Directors of the Management Company in addition to interim distribution of 2.0% has approved further interim distribution of 2.0% of par value for the guarter ended March 31, 2012.

Acknowledgement

The Board takes this opportunity to thank its valued unit-holders for their confidence and trust in the Management Company, and providing the opportunity to serve them. It also offers its sincere gratitude to the Securities & Exchange Commission of Pakistan and State Bank of Pakistan for their patronage and guidance.

The Board also wishes to place on record its appreciation for the hard work, dedication and commitment shown by the staff and the Trustee.

On behalf of the Board of NBP Fullerton Asset Management Limited

Chief Executive Director

Date: April 17, 2012 Place: Karachi.

NOTES TO AND FORMING PART OF THE CONDENSED INTERIM FINANCIAL INFORMATION (UNAUDITED) FOR THE PERIOD FROM OCTOBER 18, 2011 TO MARCH 31, 2012

1 LEGAL STATUS AND NATURE OF BUSINESS

NAFA Financial Sector Income Fund (the Fund) was established under a Trust Deed executed between NBP Fullerton Asset Management Limited as Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed on July 28, 2011 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on August 16, 2011.

The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company is situated at 9th Floor, Adamjee House, I.I.Chundrigar Road, Karachi.

The Fund is an open-ended mutual fund and is listed on the Lahore Stock Exchange. Units of the Fund are offered for public subscription on a continuous basis. These units are transferable and can be redeemed by surrendering them to the Fund. The Fund has been categorized as "Income Scheme" as per the categories defined by the Securities and Exchange Commission of Pakistan.

The core objective of the Fund is to provide income enhancement and preservation of capital by investing in prime quality Financial Sector TFCs / Sukuks, Bank deposits and short-term money market instruments.

As per the Trust Deed, the first accounting period shall commence from the date on which the Fund property is first paid or transferred to the Trustee. The Fund opened its bank account on October 18, 2011 for receipt of subscription towards seed capital of the Fund. Accordingly, this condensed interim financial information has been prepared for the period from October 18, 2011 to March 31, 2012.

The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of 'AM2-' (Positive Outlook) to the Management Company. The rating of the Fund has not been obtained as the minimum time required by the credit rating agency for assigning the rating has not been completed by the Fund.

Title of the assets of the Fund is held in the name of Central Depository Company of Pakistan Limited as the trustee of the Fund.

BASIS OF PREPARATION

2.1 Statement of compliance

This condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of International Accounting Standard (IAS) 34: "Interim Financial Reporting", the Trust Deed, Non Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules), Non Banking Finance Companies and Notified Entities Regulations 2008 (NBFC Regulations) and the directives issued by the SECP. Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or directives issued by the SECP differ with the requirements of IAS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP prevail.

- 2.1.1 This condensed interim financial information does not include all the information and disclosures required in the annual financial statements.
- 2.1.2 This condensed interim financial information is unaudited. Accordingly, the Board of Directors of the Management Company declare that this condensed interim financial information gives a true and fair view of the state of affairs of the Fund.

2.2 Standards, interpretations and amendments to published approved accounting standards, as adopted in Pakistan, that are not yet effective:

There are certain new standards, amendments and International Financial Reporting Interpretations Committee (IFRIC) interpretations that are mandatory for accounting periods begining on or after July 1, 2012 but are considered not to be relevant or do not have any significant effect on the Fund's operations and are, therefore, not detailed in this condensed interim financial information.

2.3 Critical accounting estimates and judgments

The preparation of financial information in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgment in the process of applying the Fund's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Fund's financial information or where judgment was exercised in application of accounting policies are as follows:

- i) Classification and valuation of investments (notes 3.2 and 4)
- ii) Amortisation of preliminary expenses and floatation costs (notes 3.4 and 6)

2.4 Accounting Convention

This condensed interim financial information has been prepared under the historical cost convention except that certain investments have been carried at fair value.

2.5 Functional and Presentation Currency

This condensed interim financial information is presented in Pak Rupees which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of this condensed interim financial information are set out below:

3.1 Cash and cash equivalents

Cash and cash equivalents include balances with banks and other short term highly liquid investments with original maturities of three months or less.

3.2 Financial assets

3.2.1 Classification

The Fund classifies its financial assets in three categories, i.e, at fair value through profit or loss, available for sale and loans and receivables. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets at initial recognition and re-evaluates this classification on a regular basis.

Financial assets are categorised as follows:

a) Financial assets at fair value through profit or loss

These are financial assets that are acquired principally for the purpose of generating profit from short-term fluctuations in prices.

b) Available for sale

Available for sale financial assets are those non-derivative financial assets that are designated as available for sale or are not classified as (a) loans and receivables, (b) held to maturity investments or (c) financial assets at fair value through profit or loss. These are intended to be held for an indefinite period of time which may be sold in response to needs for liquidity or changes in prices.

c) Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

3.2.2 Regular way contracts

Regular purchases and sales of financial assets are recognised on the trade date - the date on which the Fund commits to purchase or sell the asset.

3.2.3 Initial recognition and measurement

Financial assets are initially recognised at fair value plus transaction costs except for financial assets carried at fair value through profit or loss.

Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the income statement.

3.2.4 Subsequent measurement

Subsequent to initial recognition, financial assets designated by the management as 'financial assets at fair value through profit or loss' are valued as follows:

a) Basis of valuation of debt securities

The investment of the Fund in debt securities is valued on the basis of rates determined by the Mutual Fund Association of Pakistan (MUFAP) in accordance with the methodology prescribed by SECP for valuation of debt securities vide its circular no. 1 of 2009 dated January 6, 2009. In the determination of the rates MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The circular also specifies the valuation process to be followed for each category as well as the criteria for the provisioning of non-performing debt securities.

b) Basis of valuation of government securities

The investment of the Fund in government securities is valued on the basis of rates announced by the Financial Markets Association of Pakistan.

3.2.5 Impairment

The carrying value of the Fund's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If such an indication exists, the recoverable amount of such asset is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in the Income Statement.

a) Debt securities

Provision for non-performing debt securities is made on the basis of time based criteria as prescribed under circular no. 1 of 2009 dated January 6, 2009 issued by the SECP. Impairment losses recognised on debt securities can be reversed through the 'Income Statement'.

As allowed under circular no. 13 of 2009 dated May 4, 2009 issued by the SECP, the management may also make provision against debt securities over and above the minimum provision requirement prescribed in the aforesaid circular, in accordance with a provisioning policy approved by the Board of Directors and disseminated by the Management Company on its website.

b) Loans and receivables

For financial assets classified as 'loans and receivables', a provision for impairment is established when there is objective evidence that the Fund will not be able to collect all amounts due according to the original terms. The amount of the provision is determined based on the provisioning criteria specified by the SECP.

3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

3.2.7 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the Statement of Assets and Liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired.

3.4 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of operations of the Fund. These costs are being amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund.

3.5 Issue and redemption of units

Units are issued on the realisation of funds and are recorded at the offer price applicable for that date, determined by the Management Company. The applications are received by the distributors during business hours and are processed by the Management Company on the realisation of funds. The offer price represents the Net Asset Value per unit as of the close of the previous business day plus the allowable sales load, provision for transaction costs and any provision for duties and charges, if applicable.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors receive redemption applications during business hours of that day. The redemption price represents the Net Asset Value per unit as of the close of the business day less any back-end load (if applicable), any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

3.6 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the 'element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

Element of income / (loss) and capital gains / (losses) included in the prices of units issued less those in units redeemed is determined based on the income earned during the period and on unrealised appreciation / (diminution) arising during the period on available for sale securities. The amount so determined is taken directly to the distribution statement.

3.7 Provisions

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.8 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed among the unit holders.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

The Fund provides for deferred taxation using the balance sheet liability method on all major temporary differences between the amounts used for financial reporting purposes and amounts used for taxation purposes. In addition, the Fund also records deferred tax on unutilised tax losses to the extent that it is probable that the related tax benefit will be realised. However, the Fund has not recognised any amount in respect of deferred tax in these financial statements as the Fund intends to avail the tax exemption under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001, in future years by distributing at least ninety percent of its accounting income for the year as reduced by capital gains, whether realised or unrealised, to its unit holders every year.

3.9 Proposed distributions

Distributions declared subsequent to the balance sheet date are considered as non-adjusting events and are recognised in the financial statements in the period in which such distributions are declared.

3.10 Revenue recognition

- Capital gains / (losses) arising on sale of investments are included in the income statement on the date at which the transaction takes place.
- Unrealised gains / (losses) arising on revaluation of investments classified as 'financial assets at fair value through profit or loss' are
 included in the income statement in the period in which they arise.
- Profit on bank deposits is recognised on an accrual basis.
- Profit from investments is recognised on an accrual basis.
- Income from government securities is recognised using the effective interest rate method.

3.11 Net Asset Value per unit

The net asset value (NAV) per unit, as disclosed on the Statement of Assets and Liabilities, is calculated by dividing the net assets of the Fund by the number of units in issue at the period / year end.

3.12 Earnings per unit

Earnings per unit has not been disclosed as, in the opinion of the management, determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

6 PRELIMINARY EXPENSES AND FLOATATION COSTS

Preliminary expenses and floatation costs incurred
Less: Amortisation during the period
Balance as at March 31, 2012

6.1
1,093
(93)
1,000

6.1 Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of operations of the Fund and are being amortised over a period of five years commencing from October 29, 2011 (post IPO) as per the requirements set out in the Trust Deed.

7 PROVISION FOR WORKERS' WELFARE FUND

The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh ("the Court", "SHC"), challenging the applicability of WWF to the CISs, which is pending adjudication.

Subsequent to the year ended June 30, 2010, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. This clarification was forwarded by Federal Board of Revenue (FBR) (being the collecting agency of WWF on behalf of the Ministry) to its members for necessary action. Based on this clarification, the FBR also withdrew notice of demand which it had earlier issued to one of the mutual funds for collection of WWF. Notices of demand have also been issued to several other mutual funds and the matter has been taken up by the respective mutual funds with the FBR for their withdrawal on the basis of the above referred clarification of the Ministry.

Subsequent to the year ended June 30, 2011, the Honorable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional. The Management Company is hopeful that the decision of the LHC will lend further support to the Constitutional Petition which is pending in the SHC. Accordingly, the Management Company has stopped making accrual of this liability with effect from March 14, 2012. However, as a matter of abundant caution, the Management Comapny has decided to maintain the provision for WWF made till this date amounting to Rs. 1.138 million in these financial information.

8 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at March 31, 2012.

9 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. The Fund intends to distribute such accounting income, if any, for the period ending June 30, 2012 to its unit holders. Accordingly, no tax liability has been recorded in the current period.

10 TRANSACTIONS WITH CONNECTED PERSONS

10.1 Connected persons include NBP Fullerton Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee, National Bank of Pakistan (NBP), and Alexandra Fund Management Pte. Limited being the sponsors, NAFA Provident Fund Trust being the employee contribution plan of the Management Company, other collective investment schemes managed by the Management Company and directors and officers of the Management Company.
