8.2 Suspension of Units

8.2.1 Issuance and redemption may only be suspended simultaneously during extraordinary circumstances.

8.2.2 The Redemption of Units may be suspended during extraordinary circumstances including closure of the money market and scheduled banks the existence of a state of affairs, which in the opinion of the Management Company, constitutes an emergency as a result of which disposal of any investment would not be reasonably practicable or might seriously prejudice the interest of the Scheme or of the Unit Holder(s), or a break down in the means of communication normally employed in determining the price of any investment, or when remittance of money can not be carried out in reasonable time and if the Management Company is of the view that it would be detrimental to the remaining Unit Holder(s) to redeem Units at a price so determined in accordance with the Net Asset Value (NAV). The Management Company may announce a suspension or deferral of redemption and such a measure shall be taken to protect the interest of the Unit Holder(s) in the event of extraordinary circumstances or in the event redemption requests accumulate in excess of ten percent of the Units in issue or 10% of Fund NAV. The requests in excess of the ten-percent shall be treated as redemption requests qualifying for being processed on the next Dealing Day at the price to be determined for such redemption requests. However, if the carried over requests and the fresh requests received on the next Dealing Day still exceed ten percent of the Units in issue or 10% of the NAV of the Fund, these shall once again be treated on first-come-first served basis and the process for generating liquidity and determining the Redemption Price shall be repeated and such procedure shall continue till such time the outstanding redemption requests come down to a level below ten percent of the Units then in issue. The Management Company shall provide all redemption requests duly timed and date stamped to the Trustee within 24 hours of receipt of any such request following the queue system

8.5 Winding up in view of major redemptions

In the event the Management Company is of the view that the quantum of redemption requests that have built up shall result in the Trust Property being run down to an unmanageable level or it is of the view that the sell-off of assets is likely to result in a significant loss in value for the Unit Holder(s) who are not redeeming, it may announce winding up of the Fund. Dear Sir,

Trustee fee structure for NAFA Government Securities Liquid Fund

We are pleased to inform you that the Board of Directors of the Company in its meeting held on February 07, 2009, considered your request vide your letter dated November 26, 2008 and approved following new tariff structure applicable to open-ended mutual funds investing only in debt securities issued by the government or government owned / managed / promoted entities:

NET ASSETS (Rupees)		TARIFF
From	To	
1	1 billion	Rs. 0.7 million or 0.15% p.a. of net assets which ever is higher.
Above 1 billion		Rs. 1.5 million plus 0.075% p.a. of net assets on amount exceeding Rs. 1 billion.

You would appreciate that, considering the nature of such funds, the above tariff structure offers much nominal fee as compared to current tariff structure.
