#### **DIRECTORS' REPORT**

The Board of Directors of NBP Fullerton Asset Management Limited is pleased to present the Seventh Annual Report of NAFA Income Fund for the year ended June 30, 2014.

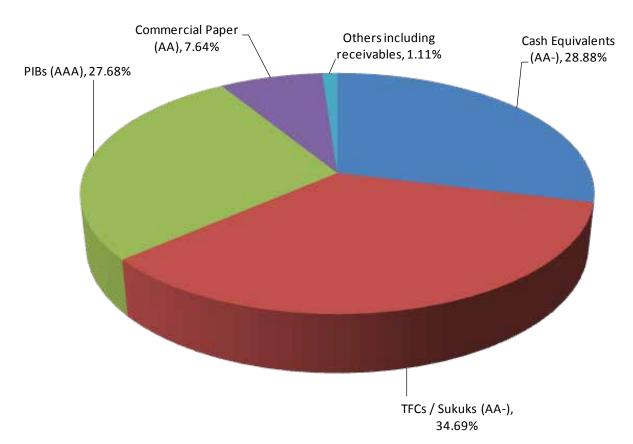

#### Fund's Performance

The size of NAFA Income Fund has increased from Rs. 490 million to Rs. 501 million during the period, i.e. a growth of 2.24%. During the said period, the unit price of NAFA Income Fund has increased from Rs. 9.1284 (Ex-Div) on June 30, 2013 to Rs. 9.3391 on June 30, 2014, thus posting a return of 2.31% as compared to its Benchmark (6-Month KIBOR) return of 9.82% for the same period. The return of the Fund is net of management fee and all other expenses.

NIF is categorized as an Income Scheme and has been awarded stability rating of A-(f) by PACRA. On the corporate debt sphere, we have witnessed some increase in primary issuance of corporate debt amid a pick-up in economic activity. Trading activity in TFCs remained skewed towards high quality issues, notably belonging to the Chemicals and Banking sectors. Majority of the TFCs in the Fund are floating rate linked to KIBOR. Therefore, any increase in the interest rates will improve the coupon income of the Fund.

The State Bank of Pakistan increased the policy rate by100bps to 10% during first half of FY14, citing downside risks to the external account, depleting FX reserves, and rising inflation expectations. However, since then positive developments were witnessed in the form of (i) a sharp recovery of Pak rupee against the US dollar, due to significant improvement in forex reserves bolstered by aid from Saudi Arabia, extremely successful Eurobond issue, auction of 3G and 4G licenses, two large SPOs and higher loan receipts; and (ii) Inflation as measured by CPI clocked in at 8.6%, significantly below initial projections of 11-12%, due to subdued commodity prices, lower money supply growth and strong rupee performance in the second half of the fiscal year.

The Fund has earned income of Rs.78.69 million during the year. After accounting for expenses of Rs.67.35 million, the net income is Rs.11.34 million. The asset allocation of NAFA Income Fund as on June 30, 2014 is as follows:

#### **Income Distribution**

After excluding unrealized gain, the Fund incurred net loss for the year ended June 30, 2014. Accordingly, no distribution was made during the year.

#### **Taxation**

As there was net loss excluding realized and unrealized capital gains for the year ended June 30, 2014, the Fund is not subject to tax under Clause 99 of the Part I of the Second Schedule of the Income Tax Ordinance, 2001.

#### **Auditors**

The present auditors, M. Yousuf Adil Saleem & Co., Chartered Accountants, retire and, being eligible, offer themselves for re-appointment for the year ending June 30, 2015.

#### Directors' Statement in Compliance with Code of Corporate Governance

- 1. The financial statements, prepared by the management company of, present fairly the state of affairs of the Fund, the result of its operations, cash flows and statement of movement in unit holders' funds.
- 2. Proper books of account of the Fund have been maintained.
- 3. Appropriate accounting policies have been consistently applied in preparation of financial statements. Accounting estimates are based on reasonable and prudent judgment.
- 4. International Financial Reporting Standards, as applicable in Pakistan, have been followed in preparation of financial statements.
- 5. The system of internal control is sound in design and has been effectively implemented and monitored.
- 6. There are no significant doubts upon the Fund's ability to continue as a going concern.
- 7. There has been no material departure from the best practices of Corporate Governance, as detailed in the listing regulations.
- 8. A performance table/ key financial data is given in this annual report.
- 9. Outstanding statutory payments on account of taxes, duties, levies and charges, if any, have been fully disclosed in the financial statements.
- 10. The Board of Directors of the Management Company held six meetings during the current financial year. The attendance of all directors is disclosed in the note 22 to these financial statements.
- 11. The detailed pattern of unit holding is disclosed in the note 21 to these financial statements.
- 12. All trades in the units of the Fund, carried out by directors, CEO, CFO, Company Secretary and their spouses and minor children are disclosed in note 18 to these financial statements.

#### Acknowledgement

The Board takes this opportunity to thank its valued unit-holders for their confidence and trust in the Management Company, and providing the opportunity to serve them. It also offers its sincere gratitude to the Securities & Exchange Commission of Pakistan and State Bank of Pakistan for their patronage and guidance.

The Board also wishes to place on record its appreciation for the hard work, dedication and commitment shown by the staff and the Trustees.

On behalf of the Board of NBP Fullerton Asset Management Limited

Chief Executive Director

Date: September 16, 2014

Place: Karachi.

# TRUSTEE REPORT TO THE UNIT HOLDERS NAFA INCOME FUND

Report of the Trustee Pursuant to Regulation 41(h) of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

NAFA Income Fund, an open-end Scheme established under a Trust Deed dated January 03, 2008 executed between NBP Fullerton Asset Management Limited, as the Management Company and Central Depository Company of Pakistan Limited (CDC), as the Trustee. The Scheme was authorized by Securities and Exchange Commission of Pakistan (Commission) on January 29, 2008.

Subsequently, CDC retired as the Trustee of the Fund and MCB Financial Services Limited (MCBFSL) was appointed as the new trustee with effect from November 22, 2011.

- 1. NBP Fullerton Asset Management Limited, the Management Company of NAFA Income Fund has in all material respects managed NAFA Income Fund during the year ended June 30, 2014 in accordance with the provisions of the following:
  - (i) Investment limitations imposed on the Asset Management Company and the Trustee under the trust deed and other applicable laws;
  - (ii) the valuation or pricing is carried out in accordance with the deed and any regulatory requirement;
  - (iii) the creation and cancellation of units are carried out in accordance with the deed;
  - (iv) and any regulatory requirement

Khawaja Anwar Hussain Chief Executive Officer MCB Financial Services Limited

Karachi: September 16, 2014

# STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE NAFA INCOME FUND FOR THE YEAR ENDED JUNE 30, 2014

This statement is being presented by the Board of Directors of NBP Fullerton Asset Management Limited (Company), the Management Company of NAFA Income Fund (the Fund) to comply with the Best Practices of Code of Corporate Governance (CCG) contained in Regulation No. 35, Chapter XI of Listing Regulations of Lahore Stock Exchange for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

NBP Fullerton Asset Management Limited, though an un-listed Public Limited Company complies with the CCG as the Fund under its management is listed on Lahore Stock Exchange.

The Company has applied the principles contained in the CCG in the following manner:

1. The Company encourages representation of independent non-executive directors on its Board of Directors. The Company, being an un-listed company, does not have any minority interest. As at June 30, 2014, the Board included:

Category	Names
Independent Directors	1. Mr. Kamal Amir Chinoy 2. Mr. Shehryar Faruque
Executive Directors	Dr. Amjad Waheed (Chief Exectuive Officer)
Non-Executive Directors	<ol> <li>Mr. Nausherwan Adil (Chairman)</li> <li>Mr. Aamir Sattar</li> <li>Mr. Abdul Hadi Palekar</li> <li>Mr. Wah Geok Sum</li> <li>Mr. Koh Boon San</li> </ol>

The independent directors meet the criteria of independence under clause i (b) of the CCG.

- 2. The directors have confirmed that none of them is serving as a director of more than seven listed companies, including this Company (excluding the listed subsidiaries of listed holding companies where applicable).
- 3. All the resident directors of the Company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFI or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
- 4. One casual vacancy was occurred on the board on October 10, 2013 which was filled up on the same date.
- 5. The Management Company has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.

- 6. The Board has developed a vision/mission statement, overall corporate strategy and significant policies of the Fund. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
- 7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO have been taken by the Board. There is no other executive-director of the Company besides CEO.
- 8. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for this purpose and the Board meet at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
- 9. In order to apprise the directors on their duties and responsibilities the Code requires every listed company to conduct formal orientation for directors. As per the Code, by June 30, 2014 a minimum of two directors should have attended director training program. As at year end, one of the directors has attended the director's training program offered by Pakistan Institute of Corporate Governance. The Company has started the process for training of other directors and it is expected that some of other directors may also obtain certification of the director's training program in the next year. However, the directors are conversant with the relevant laws applicable to the Company, its policies and procedures and provisions of memorandum and articles of association and are aware of their duties and responsibilities.
- 10. There was no new appointment of the Chief Financial Officer (CFO) and Company Secretary during the year. However, the Head of Internal Audit left the Company on March 07, 2014 and in his place a new appointment was made on April 08, 2014 with the approval of audit and risk committee including remuneration and terms and conditions. The appointment of the Head of Internal Audit has been ratified by the Board in its meeting held on September 16, 2014, subsequent to the year end.
- 11. The Directors' report for this year has been prepared in compliance with the requirements of the CCG and fully describes the salient matters required to be disclosed.
- 12. The financial statements of the Fund were duly endorsed by CEO and CFO before approval of the Board.
- 13. The Directors, CEO and executives do not hold any interest in the units of the Fund other than that disclosed in note 18 to the financial statements "Transactions with Connected Persons".
- 14. The Company has complied with all the corporate and financial reporting requirements of the CCG.
- 15. The Board has formed an Audit Committee. It comprises of three members, of whom all are non-executive directors and the chairman of the committee is an independent director.
- 16. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the Fund and as required by the CCG. The committee has formed the terms of reference for compliance.
- 17. The Board has formed a Human Resource and Remuneration Committee. It comprises of three members. All the members are non-executive directors and the chairman of the committee is a non-independent director.

- 18. The Board has set up an effective internal audit function.
- 19. The statutory auditors of the Fund have confirmed that they have been given a satisfactory rating under the Quality Control Review Program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold units of the Fund and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by ICAP.
- 20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- 21. Since there is no practical implication of closed period on the announcement of interim and final results of open end Fund. Therefore, there was no 'closed period' prior to the announcement of interim/final results.
- 22. Material / price sensitive information has been disseminated amongst all market participants at once through stock exchange.
- 23. We confirm that all other material principles contained in the CCG have been complied with. While the Code of Corporate Governance requires that a mechanism shall be put in place for the annual evaluation of the Board's own performance by April 2014, the Management Company is in the process of preparing a framework for this purpose and eventual approval by the Board of Directors of the Management Company.

For and behalf of the board

Karachi September 16, 2014 Dr. Amjad Waheed Chief Executive Officer

#### **FUND MANAGER REPORT**

#### NAFA Income Fund

NAFA Income Fund (NIF) is an open-end Income Scheme.

#### Investment Objective of the Fund

The objective of NIF is to earn a competitive rate of return while preserving capital to the extent possible by investing in liquid assets.

#### **Benchmark**

6 Month - KIBOR

#### **Fund Performance Review**

This is the seventh Annual report since the launch of the Fund on March 29, 2008. The Fund size increased by 2.24% during FY14 and stands at Rs 501 million as on June 30, 2014. The Fund's annualized return since its inception is 1.89% versus the benchmark return of 11.61%. During FY14, the Fund posted a return of 2.31% as compared to benchmark return of 9.82%. The return of the Fund is net of management fee and all other expenses.

Key factor responsible for the subdued performance of the Fund during the year was provisioning impact in Leasing Sector, Telecom Sector and Real Estate Sector TFCs and Sukuk. The weighted average Yield-to-Maturity of the Fund is around 11.10% p.a. while the yield does not include potential recovery in fully provided TFCs (Face Value of Rs. 312 million), which is a potential upside for the Fund. Weighted average time to maturity of the Fund is 1.53 years.

Regarding the corporate bond market, despite pick-up in the private sector credit off-take we have witnessed few fresh issuance during FY14. This dearth of fresh issuance and hunt for yields in the secondary market depressed the yields on high credit quality TFCs. Trading activity in TFCs remained skewed towards high quality issues, notably belonging to the Chemicals and Banking sectors. All the TFCs in the Fund are floating rate linked to KIBOR. Therefore, any increase in the interest rates will improve the coupon income of the Fund.

State Bank of Pakistan increased the policy rate to 10% from 9% during FY14 premised on rising inflation expectation, pressure on external account and reduction in FX reserves. However, in the second half of FY 14, significant improvement was observed in the external account mainly due to aid from Saudi Arabia, issuances of Eurobond, successful SPOs of UBL & PPL and auction of 3G & 4G licenses. This resulted in unexpected recovery of Pak rupee against the US dollar. Inflation also remained below initial projections due to lower money supply growth and depressed commodity prices. However, State Bank of Pakistan restrained from easing policy rate highlighting law and order situation and power shortages as the prime factors affecting investment in economy.

During the period under review Government has shifted its borrowing from short-term T-Bills to long-term PIBs thus reducing rollover or refinancing risk. However this shift in borrowing from short-term to long-term has came at a significant cost as PIBs are an expensive source of borrowing. This shift in borrowing is evident from below mentioned table:

Source of Borrowing	Jun-13		Jur	n-14
Source of Bollowing	Rs. In Bn	%	Rs. In Bn	%
PIBs	1,321.9	26.8%	3,223.5	59.4%
T-Bills	3,151.0	63.9%	1,878.9	34.6%
GOP Ijara Sukuk	459.2	9.3%	326.4	6.0%
Total	4,932.1	100.0%	5,428.8	100.0%

#### Asset Allocation of Fund (% of NAV)

Particulars	30-Jun-14	30-Jun-13
Cash Equivalents	28.88%	37.32%
Placements with DFIs	-	5.10%
TFCs / Sukuks	34.69%	47.90%
PIBs	27.68%	0.10%
Money Market Placements	7.64%	8.17%
GOP Ijara Sukuk	-	0.72%
Others including receivables	1.11%	0.69%
Total	100.00%	100.00%

#### Distribution for the Financial Year 2014

There was no distribution during FY14

#### **Details of Non-Compliant Investments**

Particulars	Type of Investment	Value of Investments	Provision held	Value of Investments	% of Net	% of Gross	Yield to Maturity

5000001-10000000	1
10000001-100000000	1
	90

#### During the period under question:

There has been no significant change in the state of affairs of the Fund, other than stated above. NAFA Income Fund does not have any soft commission arrangement with any broker in the industry.

#### Workers' Welfare Fund (WWF)

The scheme has maintained provisions against Workers' Welfare Fund's liability to the tune of Rs. 2,559,615, if the same were not made the NAV per unit/ FY 2014 return of scheme would be higher by Rs. 0.0477/0.52%. For details investors are advised to read note 14 of the Financial Statements of the Scheme for the year ended June 30, 2014.

# REVIEW REPORT TO THE UNIT HOLDERS ON STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE

We have reviewed the enclosed Statement of Compliance with the best practices contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors of NBP Fullerton Asset Management Limited, the Management Company of **NAFA Income Fund** (the Fund) for the year ended June 30, 2014 to comply with the requirements of the Listing Regulation No. 35 (Chapter XI) of the Lahore Stock Exchange Limited where the Fund is listed.

The responsibility for compliance with the Code is that of the Board of Directors of the Management Company of the Fund (the Board). Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Fund's compliance with the provisions of the Code and report if it does not and to highlight any non-compliance with the requirement of the Code. A review is limited primarily to inquiries of the Management Company's personnel and review of various documents prepared by the Management Company to comply with the Code.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Management Company's corporate governance procedures and risks.

The Code requires the Management Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board for their review and approval related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were under taken at arm's length price or not.

Based on our review, nothing has come to our attention, which causes us to believe that the Statement of Compliance does not appropriately reflect the Fund's compliance, in all material respects, with the best practices contained in the Code as applicable to the Fund for the year ended June 30, 2014.

Further, we highlight the below instances of non-compliances with the requirements of the Code as reflected in the paragraph references where these are stated in the Statement of Compliance:

- i) Paragraph 9 As per the Code, at least two directors were required to obtain training by June 30, 2014, however, only one director has obtained training so far.
- ii) Paragraph 21 As per the Code, there should be announcement of 'close period' prior to the announcement of interim / final results, however there was no such 'close period' announced during the year ended June 30, 2014.
- Paragraph 23 As per the Code, a mechanism was required to be put in place for an annual evaluation of the Board's own performance which is in process of development.

#### M. Yousuf Adil Saleem & Co. Chartered Accountants

#### INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS

We have audited the accompanying financial statements of **NAFA Income Fund** (the Fund), which comprise the statement of assets and liabilities as at June 30, 2014, and the related income statement, statement of comprehensive income, cash flow statement, distribution statement and statement of movements in unit holders' funds for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

NBP Fullerton Asset Management Limited (the Management Company) is responsible for the preparation and fair presentation of these financial statements in accordance with the approved accounting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at June 30, 2014, and of its financial performance, its cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

#### Report on other legal and regulatory requirements

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non- Banking Finance Companies (Establishment and Regulation) Rules, 2003 and Non- Banking Finance Companies and Notified Entities Regulations, 2008.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2014

#### 1 LEGAL STATUS AND NATURE OF BUSINESS

NAFA Income Fund (the Fund) was established under a Trust Deed executed between NBP Fullerton Asset Management Limited, a company incorporated under the Companies Ordinance, 1984, as Management Company and Central Depository Company of Pakistan Limited (CDC), also incorporated under the Companies Ordinance, 1984, as Trustee. The Trust Deed was executed on January 03, 2008 and was authorised by the Securities and Exchange Commission of Pakistan (SECP) on January 29, 2008 in accordance with the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules). Subsequently, Central Depository Company of Pakistan Limited (CDC) retired as the Trustee of the Fund and MCB Financial Services Limited (MCBFSL) was appointed as the new Trustee with effect from November 22, 2011. The SECP approved the appointment of MCBFSL as the Trustee in place of CDC and further approved the amendments to the Trust Deed vide its letter number SCD/AMCWING/VS/NIF/458/2011 dated November 15, 2011. Accordingly, the Trust Deed of the Fund was revised through a supplemental Deed executed between the Management Company, CDC and MCBFSL.

The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company was situated at 9th Floor, Adamjee House, I.I. Chundrigarh Road, Karachi. From 4 February 2013, the registered office of the Management Company is shifted to 7th Floor, Clifton Diamond Building Block No. 4, Scheme No.5, Clifton, Karachi. The Management Company is also the member of the Mutual Fund Association of Pakistan (MUFAP).

The Fund is an open-ended mutual fund categorised as income scheme and its units are listed on the Lahore Stock Exchange. Units of the Fund are offered for public subscription on continuous basis. These units are transferable and can be redeemed by surrendering them to the Fund.

The core objective of the Fund is to earn a competitive rate of return while preserving capital to the extent possible by investing in liquid assets. The Fund comprises of investments of various time horizons with a significant amount invested in short term investments for the purpose of maintaining liquidity.

The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of 'AM2' to the Management Company and a long term and short term performance ranking of 'A-(f)' to the Fund.

Title of the assets of the Fund is held in the name of MCB Financial Services Limited (MCBFSL) as trustee of the Fund.

#### 2 BASIS OF PREPARATION

#### 2.1 Statement of compliance

These financial statements have been prepared in accordance with the approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the NBFC Rules, the NBFC Regulations or directives issued by the SECP differ with the requirements of IFRS, the requirements of the NBFC Rules, the NBFC Regulations or the directives issued by the SECP shall prevail.

#### 2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention, except for the investments which are stated at fair value.

#### 2.3 Functional and presentation currency

These financial statements are presented in Pak Rupees, which is the functional and presentation currency of the Fund. Figures have been rounded off to the nearest thousand rupees, except otherwise stated.

#### 2.4 New accounting standards / amendments and IFRS interpretations that are effective for the year ended June 30, 2014

The following standards, amendments and interpretations are effective for the year ended June 30, 2014. These standards, interpretations and the amendments are either not relevant to the Fund's operations or are not expected to have significant impact on the Fund's financial statements other than certain additional disclosures.

Amendments to IAS 1 - Presentation of Financial Statements –	Effective from accounting period beginning on or after January
Clarification of Requirements for Comparative information	01, 2013

01, 2013

Amendments to IAS 16 - Property, Plant and Equipment – Classification of servicing equipment

Effective from accounting period beginning on or after January 01, 2013

The amendments to IAS 19 - Employee Benefits – treatment of actuarial gains and losses

Effective from accounting period beginning on or after January 01, 2013

Amendments to IAS 32 Financial Instruments: Presentation - Tax effects of distributions to holders of an equity instrument, and transaction costs of an equity transaction

Effective from accounting period beginning on or after January 01, 2013

Amendments to IAS 34 - Interim Financial Reporting - Interim reporting of segment information for total assets and total liabilities

Effective from accounting period beginning on or after January  $01,\,2013$ 

Amendments to IFRS 7 Financial Instruments: Disclosures - Offsetting financial assets and financial liabilities

Effective from accounting period beginning on or after January 01, 2013

IFRIC 20 - Stripping Costs in the Production Phase of a Surface  $\operatorname{\mathsf{Mine}}$ 

Effective from accounting period beginning on or after January 01, 2013

#### 2.5 New accounting standards and IFRS interpretations that are not yet effective

The following standards, amendments and interpretations are only effective for accounting periods, beginning on or after the date mentioned against each of them. These standards, interpretations and the amendments are either not relevant to the Fund's operations or are not expected to have significant impact on the Fund's financial statements other than certain additional disclosures.

Amendments	to	IAS	19	Employee	Benefits:	Employee
contributions						

"Effective from accounting period beginning on or after July 01, 2014"  $\,$ 

Amendments to IAS 32 Financial Instruments: Presentation - Offsetting financial assets and financial liabilities

Effective from accounting period beginning on or after January 01, 2014

IAS 27 (Revised 2011) – Separate Financial Statements

Effective from accounting period beginning on or after January 01, 2015. IAS 27 (Revised 2011) will concurrently apply with IFRS 10.

IAS 28 (Revised 2011) – Investments in Associates and Joint Ventures

Effective from accounting period beginning on or after January 01, 2015

IAS 36 Impairment of Assets - Recoverable Amount Disclosures for Non-Financial Assets

Effective from accounting period beginning on or after January 01, 2014

IAS 39 Financial Instruments: Recognition and Measurement -Novation of Derivatives and Continuation of Hedge Accounting Effective from accounting period beginning on or after January 01, 2014

IFRS 10 - Consolidated Financial Statements

Effective from accounting period beginning on or after January 01, 2015. Earlier adoption is encouraged.

IFRS 11 – Joint Arrangements

Effective from accounting period beginning on or after January 01, 2015

IFRS 12 – Disclosure of Interests in Other Entities

Effective from accounting period beginning on or after January 01, 2015

IFRS 13 - Fair Value Measurement

Effective from accounting period beginning on or after January  $01,\,2015$ 

IFRIC 21 - Levies

Effective from accounting period beginning on or after January 01, 2014

Other than the aforesaid standards, interpretations and amendments, the International Accounting Standards Board (IASB) has also issued the following standards which have not been adopted locally by the SECP.

- IFRS 1 First Time Adoption of International Financial Reporting Standards
- IFRS 9 Financial Instruments
- IFRS 14 Regulatory Deferral Accounts
- IFRS 15 Revenue from Contracts with Customers

#### 2.6 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the approved accounting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on the management's experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

In the process of applying the Fund's accounting policies, management has made the following estimates and judgments which are significant to the financial statements.

- (a) classification of financial assets (Note 3.2.1)
- (b) impairment of financial assets (Note 3.2.5)
- (c) provisions (Note 3.8)

#### 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied unless otherwise stated.

#### 3.1 Cash and cash equivalents

Cash comprises current and saving accounts with banks. Cash equivalents are short-term highly liquid investments that are readily convertible to known amounts of cash, are subject to insignificant change in value, and are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes.

#### 3.2 Financial assets

#### 3.2.1 Classification

The Fund classifies its financial assets in the following categories:

- financial assets at fair value through profit or loss
- loans and receivables
- available for sale

The classification depends on the purpose for which the financial assets were acquired. Management determines the appropriate classification of its financial assets at initial recognition and re-evaluates this classification on a regular basis.

#### a) Financial assets at fair value through profit or loss

Financial assets that are acquired principally for the purpose of generating profit from short-term fluctuations in market prices, interest rate movements or are financial assets included in a portfolio in which a pattern of short term profit making exists.

#### b) Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

#### c) Available for sale

Available for sale financial assets are those non-derivative financial assets that are designated as available for sale or are not classified as (a) loans and receivables or (b) financial assets at fair value through profit or loss. These are intended to be held for an indefinite period of time which may be sold in response to the needs for liquidity or change in price.

#### 3.2.2 Regular way contracts

Regular purchases and sales of financial assets are recognised on the trade date - the date on which the Fund commits to purchase or sell the asset. Purchases / sales of financial assets require delivery of securities within the time frame established by the regulation.

#### 3.2.3 Initial recognition and measurement

Financial assets are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are expensed in the income statement.

#### 3.2.4 Subsequent measurement

Subsequent to initial recognition, financial assets designated by the management as 'at fair value through profit or loss' and 'available for sale' are valued as follows:

#### a) Basis of valuation of debt securities

The investment of the Fund in debt securities is valued on the basis of rates determined by the Mutual Fund Association of Pakistan, (MUFAP) in accordance with the methodology prescribed by SECP for valuation of debt securities vide its circular no. 1 of 2009 dated January 6, 2009 and circular no. 33 of 2012 dated October 24, 2012 . In the determination of the rates MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The circular also specifies the valuation process to be followed for each category as well as the criteria for the provisioning of non-performing debt securities.

#### b) Basis of valuation of government securities

The investment of the Fund in government securities is valued on the basis of rates announced by the Financial Markets Association of Pakistan.

Net gains and losses arising on changes in the fair value of financial assets carried at 'fair value through profit or loss' are taken to income statement.

Net gains and losses arising from changes in fair value of 'available for sale financial assets' are taken to the 'statement of comprehensive income' until these are derecognised or impaired. At this time the cumulative gain or loss previously recognised directly in the 'statement of comprehensive income' is transferred to the 'income statement'.

#### c) Loans and receivables

Subsequent to initial recognition, financial assets classified as loans and receivables are carried at amortised cost using the effective interest method.

#### 3.2.5 Impairment of financial assets

The carrying amounts of the Fund's assets are reviewed at each reporting date to determine whether there is any indication of impairment in any asset or group of assets. If such indication exists, the recoverable amount of the assets is estimated and impairment losses are recognised immediately as an expense in the income statement. If any evidence of impairment exists for available for sale financial assets, the cumulative loss measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in the statement of comprehensive income is reclassified from other comprehensive income to income statement.

#### a) Debt securities

Provision for non-performing debt securities is made on the basis of time based criteria as prescribed under circular no. 1 of 2009 dated January 6, 2009 and circular no. 33 of 2012 dated October 24, 2012 issued by the SECP. Impairment losses recognised on debt securities can be reversed through the 'Income Statement'.

As allowed under circular no. 13 of 2009 dated May 4, 2009 issued by the SECP, the management may also make provision against debt securities over and above the minimum provision requirement prescribed in the aforesaid circular, in accordance with a provisioning policy approved by the Board of Directors and disseminated by the Management Company on its website.

#### b) Loans and receivables

For financial assets classified as 'loans and receivables', a provision for impairment is established when there is objective evidence that the Fund will not be able to collect all amounts due according to the original terms. The amount of the provision is determined based on the provisioning criteria specified by SECP.

#### 3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired, have been realised or have been transferred and where the Fund has transferred substantially all risks and rewards of ownership.

#### 3.2.7 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

#### 3.3 Financial liabilities

All financial liabilities are recognized at the time when the Fund becomes a party to the contractual provisions of the instrument. They are initially recognized at fair value and subsequently stated at amortized cost.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired.

#### 3.4 Derivatives

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the income statement.

#### 3.5 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represents expenditure incurred prior to the commencement of operations of the Fund. These costs are being amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund and the Non-Banking Finance Companies and Notified Entities Regulation, 2008.

#### 3.6 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours on that date. The offer price represents the Net Asset Value per unit as of the close of the business day plus the allowable sales load, provision for transaction costs and any provision for duties and charges, if applicable. The sales load is payable to the Management Company, investment facilitators or distributors. Transaction costs are recorded as income of the Fund.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors receive redemption applications during business hours on that day. The redemption price represents the Net Asset Value per unit as of the close of the business day less any back-end load, any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

#### 3.7 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the 'element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

Element of income / (loss) and capital gains / (losses) included in the prices of units issued less those in units redeemed is determined based on the income earned during the year and on unrealised appreciation / (diminution) arising during the year on available for sale securities. The amount so determined is taken directly to the distribution statement.

#### 3.8 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

#### 3.9 Revenue recognition

- Realised capital gains / (losses) arising on sale of investments are included in the 'income statement' on the date at which the transaction takes place.
- Unrealised capital gains / (losses) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the income statement in the period in which they arise.
- Mark-up / return on government securities, term finance certificates, sukuks, commercial papers, clean placements, bank balances and term deposit receipts are recognised on a time apportionment basis using the effective interest method.

#### 3.10 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed among the unit holders.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

#### 3.11 Proposed distributions

Distributions declared subsequent to the year end are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared.

#### 3.12 Net asset value per unit

The net asset value per unit as disclosed in the Statement of Asset and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

#### 3.13 Earnings per unit

Earnings per unit (EPU) has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.

	Federal Excise Duty payable to Management Company	8.3	1,114	77
			1,206	1,014

- 8.1 Under the provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulation), the Management Company of the Fund is entitled to a remuneration during the first five years of the Fund, of an amount not exceeding three percent of the average annual net assets of the Fund and thereafter of an amount equal to two percent of such assets of the Fund. On Mar 27, 2013, the Fund has completed its five years and accordingly the management Company has charged its remuneration at the rate of 2% per annum. During the current year from January 16, 2014, the Management Company has further decreased the rate of remuneration to 1% per annum. The remuneration is paid on a monthly basis in arrears.
- 8.2 This represents amount payable in respect of Sindh Sales Tax at the rate of 16% on the services provided by the Management Company as required by Sindh Sales Tax on Services Act, 2011 which is effective from July 1, 2011.
- 8.3 As per the requirement of Finance Act 2013, Federal Excise Duty (FED) at the rate of 16% on the services provided by the Management Company has been levied effective from June 13, 2013. During the year demand notices were received by some asset management companies for collection of FED. Mutual Fund Association of Pakistan (MUFAP) has taken up the matter collectively and filed a petition with the Honorable Sindh High Court and has been granted stay in this regard. During the year, the Management Company has also received a notice under section 14 of the Federal Excise Act, 2005 regarding payment of FED on management remuneration. The Management Company is of the view that since the services are already subject to provincial sales tax, further levy of FED may result in double taxation, which does not appear to be the spirit of the law. Therefore, the Management Company has also filed a petition against the demand notice in the Honorable High Court of Sindh and has been granted stay on the basis of the pending constitutional petition from MUFAP in the said court as referred above. However, as a matter of abundant caution, the Fund has made the provision against FED payable on services provided by the Management Company.

#### 14 PROVISION FOR WORKERS' WELFARE FUND

The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs. 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh (SHC), challenging the applicability of WWF to the CISs, which is pending adjudication.

Subsequently, the Ministry of Labour and Manpower (the Ministry) vide its letter dated 15 July 2010, clarified that "Mutual Fund(s) is a product which is being managed / sold by the Asset Management Companies which are liable to contribute towards Workers Welfare Fund under Section-4 of WWF Ordinance 1971. However, the income on Mutual Fund(s), the product being sold, is exempted under the law ibid".

Further, the Secretary (Income Tax Policy) Federal Board of Revenue (FBR) issued a letter dated 6 October 2010, to the Members (Domestic Operation) North and South FBR. In the letter reference was made to the clarification issued by the Ministry of Labour and Manpower stating that mutual funds are a product and their income are exempted under the law ibid. The Secretary (Income Tax Policy) Federal Board of Revenue directed that the Ministry's letter may be circulated amongst field formations for necessary action. Following the issuance of FBR Letter, show cause notice which had been issued by taxation office to certain mutual funds for payment of levy under WWF were withdrawn. However, the Secretary (Income Tax Policy) Federal Board of Revenue vide letter 4 January 2011, has cancelled ab-initio clarificatory letter dated 6 October 2010,on applicability of WWF on mutual funds and issued show cause notices to certain mutual funds for collecting WWF. In respect of such show cause notices, certain mutual funds have been granted stay by Honourable High Court of Sindh on the basis of the pending constitutional petition in the said court as referred above.

Furthermore, in 2011 the Honourable Lahore High Court in a Constitutional Petition relating to the amendments brought in WWF Ordinance through the Finance Act 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional. The Management Company is hopeful that the decision of the Honourable Lahore High Court, will lend further support to the Constitutional Petition which is pending in the Honourable High Court of Sindh.

During the period, the Larger Bench of the Sindh High Court (SHC) issued a judgment in response to a petition in another similar case in which it is held that the amendments introduced in the WWF Ordinance through Finance Acts, 2006 and 2008 do not suffer from any constitutional or legal infirmity.

During the current year, the Honourable Peshawar High Court on a petition filed by certain aggrieved parties (other than the mutual funds) have adjudicated that the amendments introduced in the Workers Welfare Fund Ordinance, 1971 through the Finance Acts of 1996 and 2009 lacks the essential mandate to be introduced and passed through the money bill under the Constitution of Pakistan and hence have been declared as ultra vires the Constitution.

However, without prejudice to the above, the Management Company, as a matter of abundant caution, has decided to continue to maintain the provision for WWF amounting to Rs. 2.559 million (June 30, 2013: 2.328 million) in these financial statements. Had the same not been made the net asset value per unit / return of the Fund would have been higher by Rs. 0.0477 / 0.52% (June 30, 2013: Rs. 0.0459 / 0.51% per unit respectively.

#### 15. TAXATION

The Fund's income is exempt from Income Tax as per clause (99) of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains whether realised or unrealised is distributed amongst the unit holders. Furthermore, as per regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008 the Fund is required to distribute 90% of the net accounting income other than unrealised capital gains to the unit holders. Since the Fund has incurred net loss after deducting unrealised gain / (loss) on re-measurement of investments at fair value through profit or loss - held for trading', the Management Company is not required to make any distribution and income of the Fund is not chargeable to tax. Accordingly, no liability has been recorded in the current year.

#### 16. DETAILS OF NON-COMPLIANT INVESTMENT WITH INVESTMENTS

The Securities and Exchange Commission of Pakistan vide circular no. 7 of 2009 dated March 6, 2009, required all Asset Management Companies to classify funds under their management on the basis of categorisation criteria laid down in the circular. The Board has approved the category of the fund as 'Income Scheme'.

The SECP vide circular no. 16 dated July 07, 2010, prescribed specific disclosures for the scheme holding investments that are non-compliant either with the minimum investment criteria specified for the category assigned to such schemes or with investment requirements of their constitutive documents.

Following is the detail of non-compliant investments:

Name of non-compliant investment	Non-compliance of clause	Type of investment	Value of investment before provision	Provision held, if any	Value of investment after provision	% of net assets	% of gross assets

# Financial Liabilities Payable to the Management Company Payable to Trustee Accrued expenses and other liabilities

#### 24. FINANCIAL RISK MANAGEMENT

The Fund's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk.

#### 24.1 Market risk

Market risk is the risk that the fair value or the future cash flows of a financial instrument may fluctuate as a result of changes in market prices.

The Management Company manages the market risk by monitoring exposure on marketable securities by following internal risk management policies and regulations laid down by the Securities and Exchange Commission of Pakistan and Investment Committee.

Market risk comprises of three types of risks: currency risk, interest rate risk and other price risk.

#### 24.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund, at present is not exposed to currency risk as its operations are geographically restricted to Pakistan and all transactions are carried out in Pak Rupees.

#### 24.1.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates.

#### a) Sensitivity analysis for variable rate instruments

As at June 30, 2014, the Fund holds KIBOR based interest bearing term finance certificates and sukuks exposing the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in KIBOR on June 30, 2014 with all other variables held constant, the net assets of the Fund and net income for the year would have been higher / lower by Rs. 2.293 million (2013: Rs. 4.860 million).

#### b) Sensitivity analysis for fixed rate instruments

Investments in Pakistan Investment Bonds are not subject to cash flow interest rate risk.

As at June 30, 2014 the Fund holds Pakistan Investment Bonds which are classified as financial assets at 'fair value through profit or loss, exposing the Fund to fair value interest rate risk. In case of 100 basis point increase in rates announced by the Financial Market Association of Pakistan (FMAP) on June 30, 2014, with all other variables held constant, the net income and the net assets would be lower by Rs. 2.835 million (2013: 8,035). In case of 100 basis points decrease in rates announced by Financial Market Association on June 30, 2013, the net income for the year and net asset would be higher by Rs. 2.893 million (2013: 2,729).

The composition of the Fund's investment portfolio, KIBOR rates and rates announced by the Financial Market Association are expected to change over time. Further, in case of variable instruments, the sensitivity analysis has been done from the last repricing date. Accordingly, the sensitivity analysis prepared as of June 30, 2014 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

**Annual Report 2014** 

#### 24.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all instruments traded in the market. Presently, the Fund is not exposed to equity securities price risk as the Fund does not hold any equity securities as at June 30, 2014.

#### 24.2 Credit risk

Credit risk represents the risk of a loss if counter parties fail to perform as contracted. The Fund's credit risk is primarily attributable to its investment in debt securities. The Fund is also exposed to counter party credit risks on loans and receivables, balances with banks, profit receivable, advances, deposits and other receivables. The credit risk on liquid funds is limited because the counter parties are financial institutions with reasonably high credit ratings. In addition, the Fund's policy is to enter into financial instrument contracts following internal guidelines such as approving counterparties, approving credit, obtaining adequate collateral and transacting through approved brokers.

The analysis below summarises the credit quality of the Fund's financial assets:

#### Bank balances by rating category

A1+	99.993%
A1	0.004%
A2	0.003%

#### Term finance certificates and sukuks by rating category

AA, AA-,AA+	15.35%
A,A-,A+	20.11%
Non-performing	64.54%

The maximum exposure to credit risk before any credit enhancement as at June 30, 2014 is the carrying amount of the financial assets.

#### Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse credit-worthy counterparties thereby mitigating any significant concentrations of credit risk.

#### 24.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily cash redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions, without incurring unacceptable losses or risking damages to the Fund's reputation. Its policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

For the purpose of making redemptions, the Fund has the ability to borrow in the short term. However, such need did not arise during the year. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any significant redemptions during the year.

The table below analyses the Fund's financial liabilities into relevant maturity groupings based on the remaining period at the reporting date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

#### 25. UNIT HOLDERS' FUND RISK MANAGEMENT

The Unit Holders' Fund is represented by redeemable units. These units are entitled to distributions and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'statement of movement in unit holders' fund'.

The Fund's objectives when managing unit holders' fund are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies stated in note 26, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by short-term borrowings or disposal of investment where necessary.

#### 26. FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the amount for which an asset could be exchanged, or liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the reporting date. The estimated fair value of all other financial assets and liabilities is considered not significantly different from carrying values as the items are either short term in nature or periodically repriced.

According to the amendments to International Financial Reporting Standard 7, Financial Instruments: Disclosure - Improving disclosures about financial instruments, an entity shall classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices) (level 2); and
- inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

**Annual Report 2014**
