NAFA ISLAMIC MULTI ASSET FUND

DIRECTORS' REPORT

The Board of Directors of National Fullerton Asset Management Limited is pleased to present the Second Annual Report of NAFA Islamic Multi Asset Fund for the year ended June 30, 2009.

Fund's Performance

Owing to high fiscal deficit, rising inflation, growing political uncertainties, worsening economic conditions, and severe liquidity crunch in the financial markets, the FY 2008-09 has been the most turbulent period in the history of local stock market and mutual fund industry. Resultantly, the size of NAFA Islamic Multi Asset Fund dropped to its lowest at Rs.386 million during the year. Subsequent to lifting of freeze at the end of December, the stock market witnessed substantial recovery and the Fund Size has increased to Rs.535 million as of June 30, 2009, translating into a growth of 39% from its bottom.

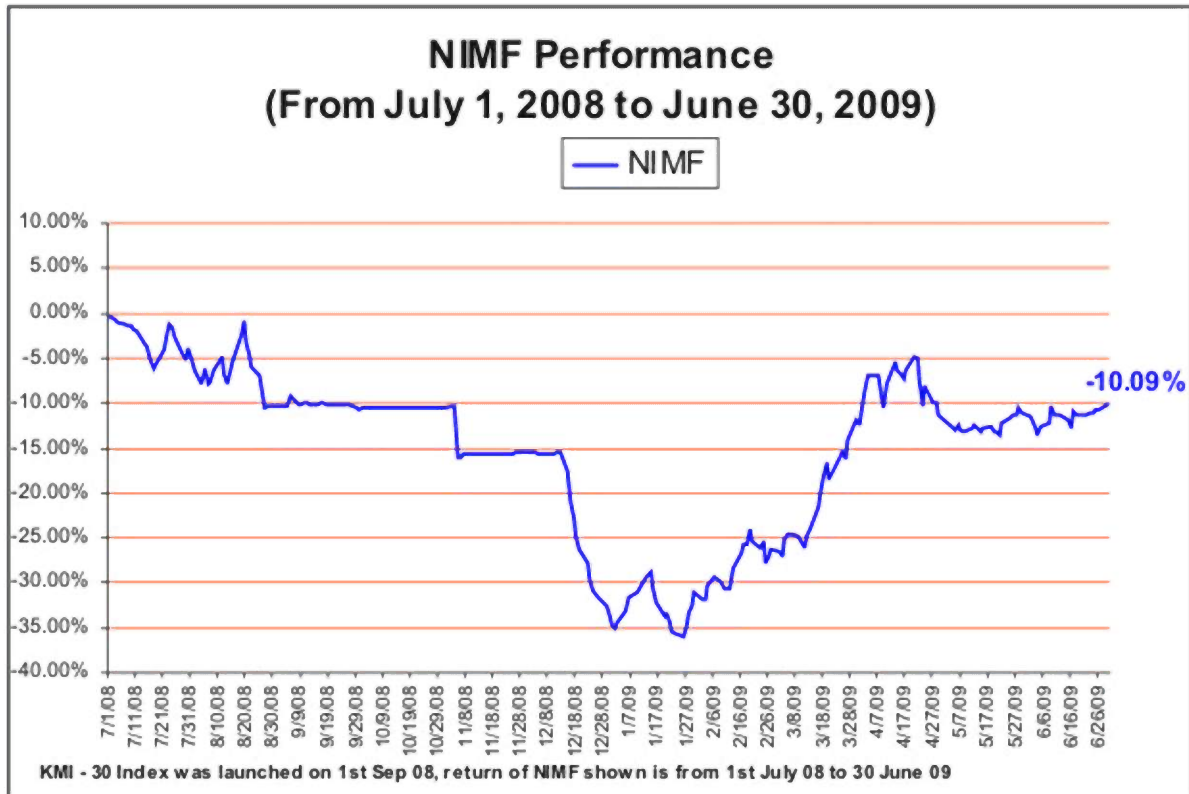

NAFA Islamic Multi Asset Fund has incurred a total loss of Rs.16.31 million during the year. After deducting total expenses of Rs.35.40 million, the net loss is Rs.51.72 million. During the year, the unit price of NAFA Islamic Multi Asset Fund has decreased from Rs.9.5360 on June 30, 2008 to Rs.8.5736 on June 30, 2009. The resultant per unit loss is Re.0.9624.

The asset allocation of NAFA Islamic Multi Asset Fund as on June 30, 2009 and its performance are as follows:

Asset Allocation as on June 30, 2009

NAFA ISLAMIC MULTI ASSET FUND

Income Distribution

Due to net loss for the year, no distribution has been approved.

Taxation

On account of net loss, no provision for taxation was made in the financial statements of the Fund.

Auditors

The present auditors, Messrs A. F. Ferguson & Co., Chartered Accountants, retire and, being eligible, offer themselves for re-appointment.

Directors' Statement in Compliance with Code of Corporate Governance

1. The financial statements, prepared by the management company of NAFA Islamic Multi Asset Fund, present fairly the state of affairs of the Fund, the result of its operations, cash flows and statement of movement in unit holders' funds.
2. Proper books of account of NAFA Islamic Multi Asset Fund have been maintained.

NAFA ISLAMIC MULTI ASSET FUND

3. Appropriate accounting policies have been consistently applied in preparation of financial statements. Accounting estimates are based on reasonable and prudent judgment.
4. International Accounting Standards, as applicable in Pakistan, have been followed in preparation of financial statements.
5. The system of internal control is sound in design and has been effectively implemented and monitored.
6. There are no significant doubts upon NAFA Islamic Multi Asset Fund's ability to continue as a going concern.
7. There has been no material departure from the best practices of Corporate Governance, as detailed in the listing regulations.
8. A performance table/ key financial data is given in this annual report.
9. Outstanding statutory payments on account of taxes, duties, levies and charges, if any, have been fully disclosed in the financial statements.
10. The Board of Directors of National Fullerton Asset Management Limited held five meetings during the current financial year. The attendance of all directors is disclosed in the note 24 to these financial statements.
11. The detailed pattern of unit holding is disclosed in the note 23 to these financial statements.
12. All trades in the units of the Fund, carried out by directors, CEO, CFO, Company Secretary and their spouses and minor children are disclosed in note 20 to these financial statements.

Acknowledgement

The Board takes this opportunity to thank its valued unit-holders for their confidence and trust in the Management Company, and providing the opportunity to serve them. It also offers its sincere gratitude to the Securities & Exchange Commission of Pakistan and State Bank of Pakistan for their patronage and guidance.

The Board also wishes to place on record its appreciation for the hard work, dedication and commitment shown by the staff, Trustee and the Shariah and Technical Advisors.

On behalf of the Board of
National Fullerton Asset Management Limited

Masood Karim Shaikh, FCA
Chairman

Dr. Amjad Waheed, CFA
Chief Executive

Date: August 31, 2009
Place: Karachi.

NAFA ISLAMIC MULTI ASSET FUND

TRUSTEE REPORT TO THE UNIT HOLDERS

Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

NAFA Islamic Multi Asset Fund (the Fund), an open-end scheme was established under a trust deed dated August 20, 2007, executed between National Fullerton Asset Management Limited, as the management company and Central Depository Company of Pakistan Limited, as the trustee.

In our opinion, the management company has in all material respects managed the Fund during the year ended June 30, 2009 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the management company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Kamran Qazi

Chief Financial Officer & Company Secretary
Central Depository Company of Pakistan Limited

Karachi, October 7, 2009

NAFA ISLAMIC MULTI ASSET FUND

STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2009

This statement is being presented to comply with the Code of Corporate Governance contained in Regulation No. 35 of Listing Regulations of the Lahore Stock Exchange for the purpose of establishing a framework of good Governance, whereby a listed Company is managed in compliance with the best practice of corporate governance.

NAFA Islamic Multi Asset Fund (the Fund) is an open end mutual fund and is listed at the Lahore Stock Exchange. The Fund, being a unit trust scheme, does not have its own Board. The Board of Directors of the Management Company manages the affairs of the Fund and has appointed the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and the Company Secretary of NAFA and other necessary personnel to manage its affairs.

The Management Company has applied the principles contained in the Code in the following manner:

1. The Management Company encourages representation of independent non-executive directors. At present the Board consist seven directors including six independent non-executive directors. The Management Company is not listed on any stock exchange and therefore does not have minority interest.
2. The directors have confirmed that none of them is serving as a director in more than ten listed companies.
3. All the resident directors of the Management Company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBF1 or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
4. Casual vacancies occurred during the year in the Board of the Management Company due to resignation of Khawaja Iqbal Hassan and Mr. Habib Yousuf Habib which were filled by Syed Naseer ul Hassan and Mr. Rayomond H. Kotwal on October 16, 2008.
5. The Management Company has adopted a "Code of Business Ethics and Business Practices", which has been acknowledged by all the directors and distributed to employees of the Management Company.
6. The Board has developed a vision/mission statement overall corporate strategy and significant policies of the Fund. A complete record of the particulars along with the dates on which they were approved or amended has been maintained.
7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO, have been taken by the Board.

NAFA ISLAMIC MULTI ASSET FUND

8. The meetings of the Board were presided over by the Chairman and the Board met at least once in every quarter during the year. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meeting were appropriately recorded and circulated.
9. The related party transactions have been placed before the Audit Committee and approved by the Board of Directors with necessary justification for non arm's length transactions if any, and pricing methods for transactions that were made on terms equivalent to those that prevail in the arm's length transactions only if such terms can be substantiated.
10. All the members of Board are well aware of operations of the Fund and Management Company, therefore no orientation courses were arranged during the year.
11. The Board has approved the appointment of Head of Internal Audit and his terms of employment.
12. Directors' Report has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
13. The financial statements of the Fund were duly endorsed by CEO and CFO before approval of the Board.
14. The Directors, CEO and Executives do not hold units of the Fund other than those disclosed in note 20 to the financial statements "Transactions with Connected Persons".
15. The Management Company has complied with the corporate and financial reporting requirements of the Code with respect to the Fund.
16. The Board has formed an Audit Committee. It comprises three members, all of whom are non-executive directors including the chairman of the Committee.
17. The meetings of the Audit Committee were held at least once every quarter prior to approval of the interim and final results of the Fund as required by the Code. Terms of Reference of the Audit Committee have been prepared and advised to the Committee for compliance.
18. There exists an effective internal audit function within the Management Company. The Management Company has appointed the Head of Internal Audit, who is considered suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the Fund.
19. The Statutory Auditors of the Fund have confirmed that they have been given a satisfactory rating under the quality control review program of the Institute of Chartered Accountants of Pakistan, that they or any of the partners of the firm, their spouse and minor children do not hold units of the Fund and that the firm and all its partners are in compliance with the International Federation of Accountants (IFAC) guidelines on Code of Ethics as adopted by the Institute of Chartered Accountants of Pakistan.

NAFA ISLAMIC MULTI ASSET FUND

20. The Statutory Auditors or the persons associated with them have not been appointed to provide other services except in accordance with the Listing Regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. We confirm that all other material principles contained in the Code have been complied with.

NAFA ISLAMIC MULTI ASSET FUND

Fund Manager Report

NAFA Islamic Multi Asset Fund

NAFA Islamic Multi Asset Fund is an open-ended Shariah Compliant balanced fund

Investment Objective of the Fund

Objective of NIMF is to provide investors with a combination of capital growth and income by investing in a variety of asset classes such as Shariah Compliant stocks, bonds, money market instruments etc. The risk profile of the fund is moderate.

Benchmark

The Benchmark of the Fund is 50% KMI-30 Index & 50% Avg. 1-month profit rate of Islamic banks.

Fund performance review

During FY 09, Net Asset Value (NAV) of NAFA Islamic Multi Asset Fund (NIMF) decreased by 10.09%, whereas the benchmark decreased by 11.67%, thus an out-performance of 1.58% was recorded.

NAFA ISLAMIC MULTI ASSET FUND

Our benchmark, KMI-30 Index was introduced by the KSE from September 1, 2008.

During the first half of the year, we remained under weight in equities and over weight in fixed income. However, during the second half of the year we tilted our allocation towards equities from the fixed income asset class. This strategy to remain overweight in equities contributed to outperformance of the Fund versus the benchmark.

During the year, key factors responsible for the lackluster performance of the stock market were: i) soaring inflation lead by crude oil and commodity prices ii) widening current account and fiscal deficits iii) rising interest rate iv) declining foreign exchange reserves. GDP growth rate for FY09 remained at around 2%, due to abysmal performance of Large Scale Manufacturing (LSM) sector. As a result, YOY, inflation (CPI) reached a high of 25% in the month of November 2008. Foreign exchange reserves of SBP fell to around US \$3.5 billion in October 2008 from a high of US \$ 14.25 in October 2007. Pak rupee depreciated around 16.5% during the year. Moreover, deteriorating law and order situation in the country also remained serious concern for local and foreign investors.

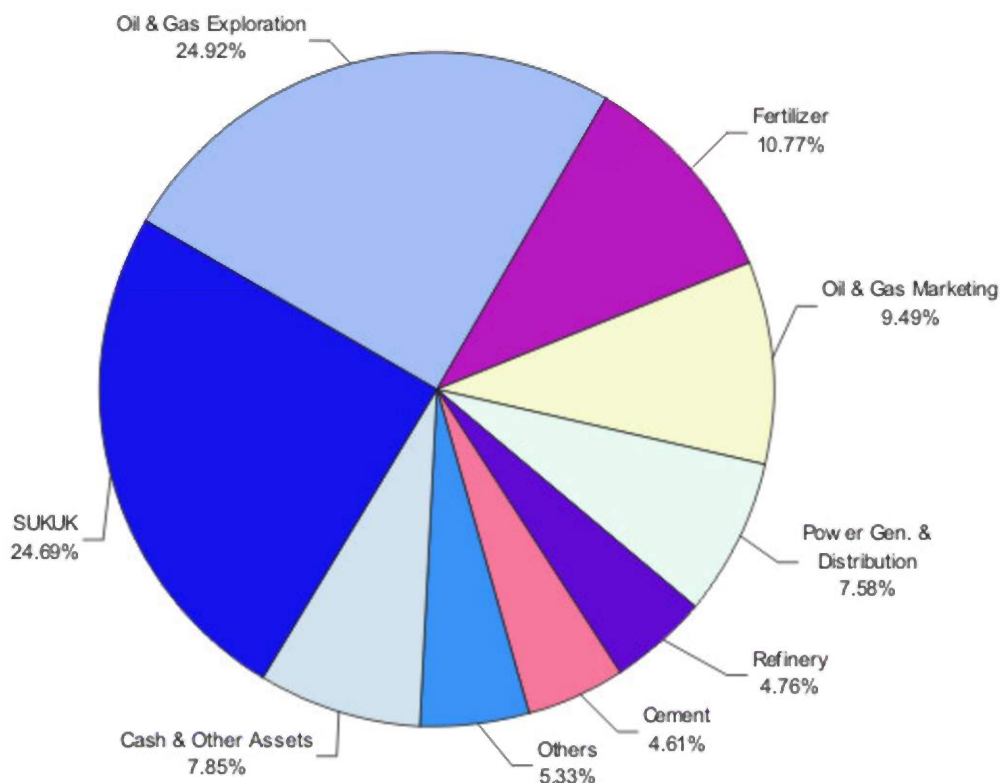

As a result, the KSE -30 Index declined by around 69% by the end of January 2009. Stock market remained frozen from end -August 2008 till mid- December 2008. Post freeze, stock market rallied steadily and the KSE- 30 Index gained around 71% from its bottom. During FY 09, trading activity remained almost half compared with the corresponding period last year.

Fixed income market also saw unprecedented events during the year. Due to shortage of liquidity, sukuks lost around 30% of their values. During the FY 09 as per the SECP Circular prices of sukuks were marked down based on their credit ratings. New valuation methodology was introduced by SECP for pricing of sukuks and TFCs. With the improvement in the liquidity conditions these instruments regained some of their lost values.

Since December we have seen improvement on both the economic and law and order front. Pakistan's budget deficit, current account deficit, interest rates, inflation and foreign exchange reserves have all shown substantial improvements. This is also reflected in a handsome recovery in the stock market and prices of sukuk/ TFCs. We expect the economy recovery to continue in FY 2009-10.

NAFA ISLAMIC MULTI ASSET FUND

The asset allocation of the Fund as on June 30, 2009 is as follows

Income Distribution

No distribution has been approved for the year ended June 30, 2009 by the Board of Directors of the Management Company.

Pattern of Unit Holders for NAFA Islamic Multi Asset Fund As on June 30, 2009

Size of Unit Holding (Units)		No. of Unit Holders
1	1,000	95
1,001	5,000	161
5,001	10,000	69
10,001	50,000	123
50,001	100,000	19
100,001	500,000	13
500,001	1,000,000	2
1,000,001	5,000,000	8
5,000,001	10,000,000	4
	100,000,000	
Total:		494

NAFA ISLAMIC MULTI ASSET FUND

During the period under question:

- There have been no significant changes in the state of affairs of the Fund
- The Management Company or its delegates did not receive any soft commission (i.e. goods and services) from its broker(s)/dealer(s) by virtue of transactions conducted by the Fund.

NAFA ISLAMIC MULTI ASSET FUND

Report of the Shariah Advisor NAFA Islamic Multi Asset Fund

Karachi

October 7, 2009/ Shawwal 17, 1430 A.H

In the capacity of Shariah Adviser, we have prescribed five criteria for Shariah compliance of equity investments which relate to (i) Nature of business, (ii) Debt to total assets, (iii) Illiquid assets to total assets, (iv) Investment in non-Shariah compliant activities and income from non-compliant investments, and (v) Net liquid assets per share vs. share price.

It is the responsibility of the management company of the fund to establish and maintain a system of internal controls to ensure Shariah compliance with the Shariah guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the management company's personnel and review of various documents prepared by the management company to comply with the prescribed criteria.

- i. We have reviewed and approved the modes of investments of NIMF in light of Shariah requirements. The following is a list of investments of NIMF as on June 30, 2009 and their evaluation according to the screening criteria established by us. (The latest accounts of the Investee companies available as on December 31, 2008 have been used for the following calculations):

Company Name	(i) Nature of Business	(ii)* Debt to Assets (<40%)	(iii) Illiquid Assets to Total Assets (>20%)	(iv)		(v) Net Liquid Assets vs. Share Price (B>A)	
				Non-Compliant Income to Gross Revenue (<5%)	% of Non-Shariah Compliant Investments (<33%)	Net Liquid Assets per Share (A)	Share Price (B)
AL-Ghazi Tractors Limited	Automobile Assembler	0.00%	31%	3.6%	6.3%	104	207.59
Indus Motor	Automobile Assembler	0.01%	71%	0.99%	0.00%	(27.98)	122.88
Lucky Cement	Cement	34.22%	94%	0.00%	0.00%	(42.20)	49.50
***Engro Chemicals Pakistan Limited.	Fertilizer	***43.91%	83%	0.58%	0.14%	(208.59)	96.46

NAFA ISLAMIC MULTI ASSET FUND

Bank Islami Pakistan Limited	Islamic Commercial Bank				**		
Meezan Bank Limited	Islamic Commercial Bank				**		

* All interest based debts

** These ratios are for the calculation of non-Shari'ah Compliant Element in the business and are not relevant for Islamic Banks

*** This scrip was non compliant based on December 31, 2008 accounts and is to be disinvested immediately.

However, the management of the fund has been instructed to avoid minor deviations that inadvertently occurred during the year.

- ii. On the basis of information provided by the management, all operations of NIMF for the period ended June 30, 2009 have been in compliance with the Shariah principles.
- iii. There are investments made by NIMF where Investee companies have earned a part of their income from non-compliant sources (e.g. interest income). In such cases, the management company has been directed to set aside as charity such proportion of the income from Investee companies in order to purify the earnings of the Fund.

NAFA ISLAMIC MULTI ASSET FUND

During the Period a provision of Rupees 473,011 was transferred to Charity account.

May Allah bless us with best Tawfeeq to accomplish our cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

For and on behalf of Meezan Bank Limited
Shari'ah Technical Services and Support Provider

Shari'ah Advisor

NAFA ISLAMIC MULTI ASSET FUND

SHARIAH COMPLIANCE AUDITORS' REPORT TO THE MANAGEMENT COMPANY

We have audited the compliance of the investments made by the NAFA Islamic Multi Asset Fund with the Shariah guidelines prescribed by the Shariah Advisor and Shariah Technical Services and Support Provider of the Fund for the period from July 1, 2008 to June 30, 2009.

It is the responsibility of the Management Company to appoint a Shariah Advisor and establish and maintain a system of internal control to ensure compliance with the Shariah guidelines advised by the Shariah Advisor and Shariah Technical Services and Support Provider of the Fund. Our responsibility is to carry out procedures to enable us to report on the compliance of investments made by the Fund with the Shariah guidelines, as prescribed by the Shariah Advisor and Shariah Technical Services and Support Provider.

We conducted our audit in accordance with the International Standards on Auditing applicable to compliance auditing. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Fund has complied, in all material respects, with the Shariah guidelines, as prescribed by the Shariah Advisor and Shariah Technical Services and Support Provider. An audit includes examining appropriate evidence on a test basis. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the investments made by the Fund during the period from July 1, 2008 to June 30, 2009 were, in all material respects, in compliance with the shariah compliant avenues as approved by the Shariah Advisor and Shariah Technical Services and Support Provider of the Fund.

REVIEW REPORT TO THE UNIT HOLDERS ON THE STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance prepared by the Board of Directors of **National Fullerton Asset Management Limited** (the Management Company) of **NAFA Islamic Multi Asset Fund** to comply with the Listing Regulation No. 35 (Chapter XI) of Lahore Stock Exchange where the Fund is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Management Company of the Fund. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Fund's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Management Company's personnel and review of various documents prepared by the Management Company to comply with the Code.

As part of our audit of the financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We have not carried out any special review of the internal control system to enable us to express an opinion as to whether the Board's statement on internal control covers all controls and the effectiveness of such internal controls.

Sub-Regulation (xiii a) of Listing Regulation 35 notified by The Lahore Stock Exchange (Guarantee) Limited requires the company to place before the Board of Directors for their consideration and approval related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the audit committee. We are only required and have ensured compliance of the above requirements to the extent of approval of related party transactions by the Board of Directors and placement of such transactions before the audit committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length prices or not.

Based on our review, nothing has come to our attention, which causes us to believe that the Statement of Compliance does not appropriately reflect the Management Company's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the Fund for the year ended June 30, 2009.

NAFA ISLAMIC MULTI ASSET FUND

INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS

We have audited the accompanying financial statements of **NAFA Islamic Multi Asset Fund**, which comprise the statement of assets and liabilities as at June 30, 2009, and the related income statement, distribution statement, cash flow statement and statement of movement in unit holders' fund for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management Company's responsibility for the financial statements

The Management Company of the Fund is responsible for the preparation and fair presentation of these financial statements in accordance with approved accounting standards as applicable in Pakistan. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the state of the Fund's affairs as at June 30, 2009 and of its financial performance, cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

Other matters

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

NAFA ISLAMIC MULTI ASSET FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2009

1. LEGAL STATUS AND NATURE OF BUSINESS

NAFA Islamic Multi Asset Fund (NIMF) was established under a Trust Deed executed between National Fullerton Asset Management Limited (NAFA) as Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed on August 20, 2007 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on September 03, 2007 in accordance with the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules).

NIMF is an open-ended mutual fund and is listed on the Lahore Stock Exchange. Units are offered for public subscription on a continuous basis. The units are transferable and can be redeemed by surrendering to the Fund. The units of the Fund were initially offered for public subscription at par from October 22, 2007 to October 26, 2007.

The core objective of the Fund is to provide investors with a combination of capital growth and income by investing in Shariah compliant investments. The Fund aims to achieve attractive returns at moderate levels of risk by investing in a variety of Shariah Compliant securities, instruments and avenues such as equities, musharikhah, murabahah, ijarah, etc.

The Pakistan Credit Rating Agency Limited has assigned an asset manager rating of AM2- to the Management Company. The Management Company has initiated the process of obtaining the rating of the Fund with PACRA. Pending completion of this process, the rating of the Fund has not been disclosed in these financial statements.

2. BASIS OF PREPARATION

2.1 STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or directives issued by the SECP differ with the requirements of IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP prevail.

2.2 Standards, interpretations and amendments to published approved accounting standards that are effective in the current year

The SECP vide SRO 411(1) / 2008 dated April 28, 2008 notified the adoption of IFRS 7 'Financial Instruments: Disclosures' which is mandatory for entities whose accounting periods begin on or after the date of notification. IFRS 7 has superseded IAS 30 and the disclosure requirements of IAS 32. Adoption of this standard has only impacted the format and extent of disclosures presented in these financial statements.

There are other standards, amendments and interpretations that were mandatory for accounting periods beginning on or after July 1, 2008 but were considered not to be relevant or did not have any significant effect on the Fund's operations.

2.3 Standards, interpretations and amendments to published approved accounting standards that are not yet effective.

IAS 1 (Revised), 'Presentation of financial statements' (effective for annual periods beginning on or after January 1, 2009), was issued in September 2007. The revised standard requires an entity to present, in a statement of changes in equity, all owner changes in equity. All non-owner changes in equity (i.e. comprehensive income) will be required to be presented separately from owner changes in equity, either in one statement of comprehensive income or in two statements (a separate income statement and a statement of comprehensive income). When the entity applies an accounting policy retrospectively or makes retrospective restatement or reclassifies items in the financial statements, they will be required to present a restated financial position (balance sheet) as at beginning of the comparative period in addition to the current requirement to present the balance sheet as at the end of the current and the comparative period. The adoption of this standard is not expected to have a significant impact on the presentation of the financial statements.

NAFA ISLAMIC MULTI ASSET FUND

IAS 32 (Amendment), Financial Instruments: Presentation, and IAS 1 (Amendment), Presentation of financial statements - Puttable financial instruments and obligations arising on liquidation (effective from January 1, 2009). The amended standards require entities to classify puttable financial instruments and instruments, or components of instruments that impose on the entity an obligation to deliver to another party a pro rata share of the net assets of the entity only on liquidation as equity, provided the financial instruments have particular features and meet specific conditions, including that all financial instruments in the class of instruments that is subordinate to all other instruments have identical features. This amendment is not expected to have a significant effect on the financial statements of the Fund.

IFRS 7 (Amendment), 'Financial Instruments: Disclosure'. There are a number of minor amendments to IFRS 7 in respect of enhanced disclosures about liquidity risk and fair value measurements. These amendments are unlikely to have an impact on the Fund's financial statements and have therefore not been analysed in detail.

IAS 38 (Amendment), 'Intangible assets' (effective from January 1, 2009). The amended standard states that a prepayment may only be recognised in the event that payment has been made in advance of obtaining right of access of goods or receipt of services. This amendment is not expected to have a significant effect on the Fund's financial statements.

There are other amendments to the approved accounting standards and interpretations that are mandatory for accounting periods beginning on or after January 1, 2009 but are considered not to be relevant or to have any significant effect on the Fund's operations and are therefore not detailed in these financial statements.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgment in the process of applying the Fund's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Fund's financial statements or where judgment was exercised in application of accounting policies are as follows:

- i) Classification and valuation of investments (note 3.2 and note 5)
- ii) Amortisation of preliminary expenses and floatation costs (note 3.6 and note 9)

2.5 Accounting Convention

The financial statements have been prepared under the historical cost convention except that certain investments have been carried at fair value.

2.6 Functional and Presentation Currency

These financial statements are presented in Pak Rupees which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below:

3.1 Cash and cash equivalents

Cash and cash equivalents include demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts.

3.2 Financial assets

3.2.1

The Fund classifies its financial assets in the following categories: at fair value through profit or loss, available for sale and loans and receivables. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets at initial recognition and re-evaluates this classification on a regular basis.

Investments are categorised as follows:

- a) **Financial assets at fair value through profit or loss**
Financial assets that are acquired principally for the purpose of generating profit from short-term fluctuations in prices are classified as held for trading in the 'Financial assets at fair value through profit or loss' category.
- b) **Available for sale**
These are non-derivatives financial assets that are intended to be held for an indefinite period of time which may be sold in response to needs for liquidity or changes in prices.
- c) **Loans and receivables**
These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

NAFA ISLAMIC MULTI ASSET FUND

3.2.2 Regular way contracts

Regular purchases and sales of financial assets are recognised on the trade date - the date on which the Fund commits to purchase or sell the asset.

3.2.3 Initial recognition and measurement

Financial assets are initially recognised at fair value plus transaction costs except for financial assets carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognized at fair value and transaction costs are expensed in the income statement.

3.2.4.1 Subsequent measurement

Subsequent to initial recognition, financial assets designated by the management as at fair value through profit or loss and available for sale are valued as follows:

a) Basis of valuation of debt securities

The SECP vide its circular no. 1/2009 dated January 06, 2009 has changed the methodology for valuation of debt securities. Under the said directive, investment in debt securities are valued on the basis of rates determined by the Mutual Fund Association of Pakistan (MUFAP). In the determination of the rates MUFAP takes into account the trading pattern of these securities and categorise them as traded, thinly traded and non traded securities. The circular specifies the valuation process to be followed for each category as well as the criteria for the provisioning of non-performing debt securities. Accordingly, investment in debt securities have been valued at the rates determined and announced by Mutual Funds Association of Pakistan (MUFAP) based on the methodology prescribed in the said circular. Prior to the issuance of the said circular investment in debt securities were valued as follows:

- (i) With effect from November 5, 2008 to January 9, 2009, at the lower of discounted redeemable face value of debt securities and the market value as determined using rates notified by the MUFAP in accordance with the SECP circular no. 26/2008 dated November 5, 2008.
- (ii) Prior to November 5, 2008, at the rates notified by MUFAP in accordance with the requirements of Regulation 2(1)(xvi) of the Non-Banking Finance Companies and Notified Entities Regulation, 2007.

b) Basis of valuation of equity securities

The investment of the Fund in equity securities is valued on the basis of closing quoted market prices available at the stock exchange.

Net gains and losses arising on changes in the fair value of financial assets carried at fair value through profit or loss are taken to income statement.

Net gains and losses arising on changes in fair value of available for sale financial assets are taken to equity until these are derecognised. At this time, the cumulative gain or loss previously recognised directly in equity is transferred to the income statement.

3.2.4.2 Loans and receivables are carried at amortised cost using the effective interest method.

3.2.5 Impairment

The carrying value of the Fund's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If such an indication exists, the recoverable amount of such asset is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in the income statement.

Provision for non-performing debt securities is made on the basis of time based criteria as prescribed under circular no. 1 of 2009 issued by the Securities and Exchange Commission of Pakistan.

As allowed under Circular No. 13 of 2009 issued by SECP the management may also make provision against debt securities over and above the minimum provision requirement prescribed in the aforesaid circular, in accordance with a provisioning policy approved by the Board of Directors and disseminated by the Management company in its website.

NAFA ISLAMIC MULTI ASSET FUND

3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

3.2.7 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the Statement of Assets and Liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired.

3.4 Derivatives

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the income statement.

3.5 Spread transactions (Ready-future transactions)

The Fund enters into transactions involving purchase of an equity security in the ready market and simultaneous sale of the same security in the futures market. The security purchased in ready market is classified as "Investment at fair value through profit or loss" and carried on the statement of assets and liabilities at fair value till their eventual disposal, with the resulting gain / loss taken to the income statement. The forward sale of the security in the futures market is treated as a separate derivative transaction and is carried at fair value with the resulting gain / loss taken to the income statement in accordance with the requirements of International Accounting Standard (IAS) 39 "Financial Instruments: Recognition and Measurement"

3.6 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of operations of the Fund. These costs are being amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund.

3.7 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours on that date. The offer price represents the Net Asset Value per unit as of the close of the business day plus the allowable sales load, provision for transaction costs and any provision for duties and charges, if applicable. The sales load is payable to the Management Company, investment facilitators or distributors.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors receive redemption applications during business hours of that day. The redemption price represents the Net Asset Value per unit as of the close of the business day less any back-end load, any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

3.8 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the 'element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

The Fund records that portion of the net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during an accounting period which pertains to unrealised gains / (losses) that form part of the Unit Holders' Funds in a separate reserve account and any amount remaining in this reserve account at the end of an accounting period (whether gain or loss) is included in the amount available for distribution to the unit holders. The remaining portion of the net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during an accounting period is recognised in the Income Statement.

NAFA ISLAMIC MULTI ASSET FUND

3.9 Provisions

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.10 Taxation

Provision for current taxation is based on the taxable income at the current rates of taxation after taking into account tax credits, rebates and exemptions, if any, and is made in accordance with the provisions of the Income Tax Ordinance, 2001.

The Fund provides for deferred taxation using the balance sheet liability method on all major temporary differences between the amounts used for financial reporting purposes and amounts used for taxation purposes. In addition, the Fund also records deferred tax asset on unutilised tax losses to the extent that it is probable that the related tax benefit will be realised. However, the Fund has not recognised any amount in respect of deferred tax in these financial statements as the Fund intends to avail the tax exemption under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001, in future years by distributing at least ninety percent of its accounting income, for the year as reduced by capital gains, whether realised or unrealised, to its unit holders every year.

3.11 Proposed distributions

Distributions declared subsequent to the balance sheet date are considered as non-adjusting events and are recognised in the financial statements in the period in which such distributions are declared.

3.12 Revenue recognition

- Capital gains / (losses) arising on sale of investments are included in the Income Statement on the date at which the transaction takes place.
- Dividend income is recognised when the right to receive the payment is established.
- Income on sukuk bonds is recognised on time proportion basis.
- Income from term deposit musharika certificates is recognised on an accrual basis.
- Unrealised gains / (losses) arising on revaluation of investments classified as financial assets 'at fair value through profit or loss' are included in the income statement in the period in which they arise.
- Profit on bank deposits is recognised on an accrual basis.

3.13 Foreign currency translation

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the income statement. Translation differences on non-monetary financial assets and liabilities such as equities at fair value through profit or loss are recognised in the income statement within the fair value net gain or loss.

25 FINANCIAL RISK MANAGEMENT

The Fund's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk.

25.1 Market risk

Market risk is the risk that the value of a financial instrument may fluctuate as a result of changes in market interest rates or market price of securities due to change in credit rating of the issuer of the instrument, change in market sentiments, supply and demand of securities and liquidity in the market. There is a possibility of default of participants and of failure of the financial markets / stock exchanges, the depositories, the settlement or the clearing system etc.

The Management Company manages the market risk by monitoring exposure on marketable securities by following internal risk management policies and regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risk: currency risk, yield / interest rate risk and other price risk.

25.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Fund, at present is not exposed to currency risk as currently all transactions are carried out in Pak Rupees.

25.1.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

(a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds KIBOR based interest bearing sukuk bonds exposing the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in KIBOR on June 30, 2009, with all other variables held constant, the net assets of the Fund and net income for the year would have been higher / lower by Rs 0.107 million (2008: Rs 0.199 million).

NAFA ISLAMIC MULTI ASSET FUND

(b) Sensitivity analysis for fixed rate instruments

Presently, the Fund holds no fixed rate instruments. As a result, the net assets of the Fund and net income for the year would remain unaffected in case of 100 basis points increase / decrease in interest rates announced by Financial Market Association on June 30, 2009.

The composition of the Fund's investment portfolio, KIBOR rates and rates announced by Financial Market Association is expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2009 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on balance sheet financial instruments based on the earlier of contractual repricing or maturity date and for off balance sheet instruments based on settlement date.

Yield / Interest Rate Risk

The Fund is mainly exposed to mark-up / interest rate risk on its investment portfolio. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that risk is managed within acceptable limits. Yield / interest rate sensitivity position for on balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off balance sheet instruments is based on settlement date.

2009

Effective interest rate (in percentage)	Total	--Exposed to yield / interest rate risk--			Not exposed to yield / interest rate risk
		Upto three months	Over three months and upto one year	Over one year

25.1.3 Price Risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

a) Sensitivity analysis for equity instruments classified as 'Available for Sale'

Presently, the Fund holds no equity instruments classified as 'available for sale'. As a result, in case of 5% increase / decrease in Karachi Stock Exchange as at June 30, 2009, the net assets of the Fund and net income for the year would remain unaffected.

b) Sensitivity analysis for equity instruments at 'Fair value through Profit or Loss'

Presently, the Fund holds equity instruments at 'fair value through profit or loss' that expose the Fund to cashflow price risk. In case 5% increase / decrease in Karachi Stock Exchange at June 30, 2009, the net assets of the Fund and net income for the year would have been higher / lower by Rs 17.058 million (2008: Rs 11.690 million).

The analysis is based on the assumption that the equity index had increased / decreased by 5% with all other variables held constant and all the Fund's equity instruments moved according to the historical correlation with the index. This represents management's best estimate of a reasonable possible shift in the KSE 100 index, having regard to the historical volatility of index. The composition of the Fund's investment portfolio and the correlation thereof to the KSE index. Is expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2009 is not necessarily indicative of the effect on the Fund's net assets of future movement in the level of KSE 100 index.

25.2 Credit Risk

Credit risk represents the risk of a loss if the counter parties fail to perform as contracted. The Fund's credit risk is primarily attributable to its investment in sukuk and balances with banks. The credit risk on liquid fund is limited because the counter parties are financial institutions with reasonably high credit ratings. In addition, the internal risk management policies and investment guidelines (approved by Investment Committee) require the Fund to invest in debt securities that have been rated as investment grade by a well known rating agency.

NAFA ISLAMIC MULTI ASSET FUND

The analysis below summarises the credit quality of the Fund's bank balances and investment in sukuk bonds as at June 30, 2009 and June 30, 2008:

Bank Balances by rating category	2009	2008
A1+	28.10%	12.40%
A1	0.35%	0.20%
A-1	67.56%	0.30%
A-1+	1.71%	3.40%
A-2	0.98%	81.50%
A2	1.31%	2.20%
Sukuk by rating category	2009	2008
AAA, AAA-, AAA+	-	-
AA, AA-, AA+	-	-
A, A-, A+	74.63%	28.97%
BBB, BBB+, BBB-	25.37%	-
Non-rated	-	71.03%

The maximum exposure to credit risk before any credit enhancement as at June 30, 2009 is the carrying amount of the financial assets. None of these assets are impaired nor past due but not impaired. The Fund's policy is to enter into financial instrument contracts by following internal guidelines such as approving counterparties, approving credit, obtaining adequate collateral and transacting through approved brokers.

Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse creditworthy counterparties thereby mitigating any significant concentration of credit risk.

25.3 Liquidity Risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous.

The Fund is exposed to daily cash redemptions if any at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Fund's reputation. Its policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

The Fund has the ability to borrow in the short term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates.

In order to manage the Fund's overall liquidity, the Fund also has the ability to withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue.

The Fund did not withhold any redemptions during the year except for the period from October 6, 2008 to December 17, 2009 for the reason mentioned below.

Due to the introduction of a 'floor' on the equity prices at the stock exchanges and to protect the interest of the unit holders, the SECP issued circular number 23 of 2008 dated October 7, 2008 directing all asset management companies managing open end schemes with direct exposure to equity securities to suspend pricing, issuance and redemption of units till third business day after the floor is removed at the stock exchanges. The Management Company, in compliance with the said circular, suspended the pricing, issuance and redemption of units of the Fund with effect from October 7, 2008.

NAFA ISLAMIC MULTI ASSET FUND

Accordingly, on removal of the 'floor' on December 15, 2008, the Management Company, on third business day after the removal of 'floor', withdrew the suspension in dealing in the Fund and all outstanding investment, redemption and conversion forms were processed.

The table below analyses the Fund's liabilities into relevant maturity groupings based on the remaining period at the balance sheet date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

-----As at June 30, 2009-----

	Total	Upto three months	More than three months and upto one year	More than one year

Accrued expenses and other liabilities	584	584	-	-
	<u>4,329</u>	<u>4,329</u>	<u>-</u>	<u>-</u>

26 UNIT HOLDERS' FUND RISK MANAGEMENT

The Unit holders' fund is represented by redeemable units. These units are entitled to distributions and to payment of a proportionate share, based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the statement of movement in unit holders' fund.

The Fund has no restrictions on the subscription and redemption of units. There is no specific capital requirement which is applicable on the Fund.

The Fund's objectives when managing unit holders' fund are to safeguard its ability to continue as a going concern so that it can continue to provide returns to unit holders and to maintain a strong base of assets under management.

In accordance with the risk management policies stated in note 25, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

NAFA ISLAMIC MULTI ASSET FUND

27 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the amount for which an asset could be exchanged, or liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradeable in an open market are revalued at the market prices prevailing on the balance sheet date. The estimated fair value of all other financial assets and liabilities is considered not significantly different from book values as the items are either short term in nature or periodically repriced.

28 DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorised for issue by the Board of Directors of the Management Company on August 31, 2009.

29 GENERAL

29.1 Figures have been rounded off to the nearest thousand rupees.

29.2 The bifurcation of undistributed income into realised and unrealised income at the beginning and end of the year as required by the NBFC Regulations has not been disclosed as such bifurcation is not practicable.
