NAFA ISLAMIC MULTI ASSET FUND

DIRECTORS' REPORT

The Board of Directors of NBP Fullerton Asset Management Limited is pleased to present the unaudited financial statements of NAFA Islamic Multi Asset Fund (NIMF) for the quarter ended September 30, 2013.

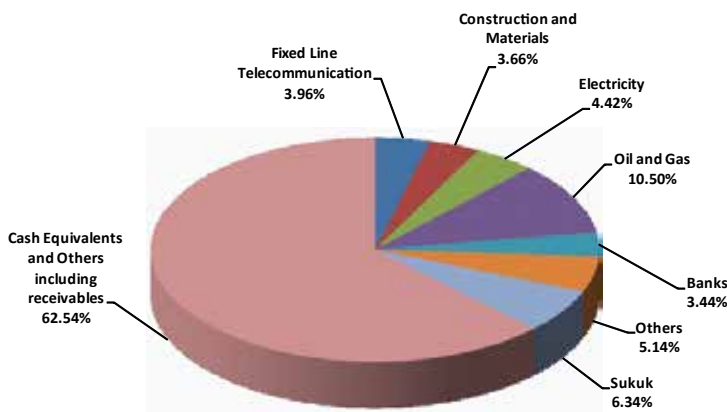

Fund's Performance

During the first quarter, the unit price of NAFA Islamic Multi Asset Fund has increased from Rs. 11.9448 (Ex-Div) on June 30, 2013 to Rs. 11.9425 on September 30, 2013, thus showing a decline of 0.02%. The Benchmark (50% KMI-30 Index, 50% average 3-month profit rate of Islamic banks) return during the same period was 1.05%. Thus, the Fund has underperformed its Benchmark by 1.07% during the period under review. This performance is net of management fee and all other expenses. The size of NAFA Islamic Multi Asset Fund has increased from Rs.433 million to Rs.469 million during the period, i.e. an increase of 8.3%.

During 1QFY14, the KMI-30 Index initially generated strong performance with a return of 11.1% in July as the euphoria of first democratic transfer of political power continued. However, realization of a tough IMF program, depreciating PKR, and rising interest rates led to 10.8% erosion in gains, thus the overall return during the period stood at 0.3%. General Industrials, Fixed Line Telecommunication, and Pharma and Bio Tech sectors performed better than the market. Oil & Gas, Food Producers, Personal Goods, and Construction and Materials sectors lagged the market. Going forward, we feel that the single most important determinant of market direction will be the approach of the government in tackling key socio-economic challenges.

During the quarter under review, we have seen 50bps increase in the Policy Rate by the State Bank of Pakistan. All Sukuks in the Fund are floating rate linked to KIBOR. Therefore, they carry a relatively low risk and any increase in interest rates will increase the coupon income of the Sukuk portfolio.

The Fund has earned total income of Rs.3.18 million during the period. After deducting expenses of Rs.6.86 million, the net loss is Rs.3.68 million. The asset allocation of the Fund as on September 30, 2013 is as follows:

10 PROVISION FOR WORKERS' WELFARE FUND

The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs. 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh (the Court), challenging the applicability of WWF to the CIS's

A clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. However, on 14 December 2010, the Ministry filed its response against the constitutional petition requesting the Court to dismiss the petition. According to the legal counsel who is handling the case there is a contradiction between the aforementioned clarification issued by the Ministry and the response filed by the Ministry in Court.

During the year 2012, the Honorable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, declared the said amendments as unlawful and unconstitutional. In March 2013, a larger bench of the Sindh High Court (SHC) in various Constitutional Petitions declared that amendments introduced in the WWF Ordinance, 1971 through Finance Act 2006 and 2008 respectively do not suffer from any constitutional or legal infirmity. However, the Honourable High Court of Sindh has not addressed the other amendments made in WWF Ordinance 1971 about applicability of WWF to the CISs which is still pending before the court.

In view of above stated facts and considering the uncertainty on the applicability of WWF to mutual funds due to show cause notices issued to a number of mutual funds, the management company as a matter of abundant caution has decided to continue to maintain the provision for WWF for the period ended 30 September 2013. As at 30 September 2013 the management has maintained provision against Workers' Welfare Funds' amounting to Rs. 4.809 million, if the same were not made the NAV per unit of the Fund would have been higher by Rs.0.1224.

11 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. The Fund has not recorded a tax liability in respect of income relating to the current period as the management company has decided to distribute at least 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders.
