DIRECTORS' REPORT

The Board of Directors of NBP Fullerton Asset Management Limited is pleased to present the Fifth Annual Report of NAFA Islamic Aggressive Income Fund for the year ended June 30, 2012.

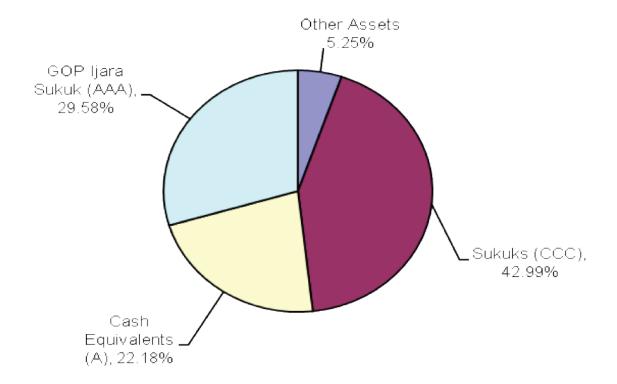

Fund's Performance

The size of NAFA Islamic Aggressive Income Fund has increased from Rs. 178 million to Rs. 179 million during the period, i.e. an increase of 0.56%. During the said period, the unit price of the Fund has increased from Rs. 7.2189 on June 30, 2011 to Rs. 8.5954 on June 30, 2012, thus showing annualized return of 19.06% as compared to its Benchmark (Average 3-Month deposit rate of Islamic Banks) return of 7.86% for the same period.

All corporate Sukuks in the Fund are floating rate linked to KIBOR. GOP Ijara Sukuks coupon rates are reset every six months. The Fund has been awarded stability rating of BBB+(f) by PACRA. The Fund is categorized as Islamic Aggressive Income Scheme. With some letup in inflationary pressures and improved external accounts, SBP slashed the Policy Rate during FY12 by 2% to 12%.

The Fund has earned a total income of Rs.16.56 million during the year. After deducting total expenses of Rs.21.89 million, the net loss is Rs.5.33 million.

The asset allocation of NAFA Islamic Aggressive Income Fund as on June 30, 2012 is as follows:

Income Distribution

Due to net loss for the year, no distribution has been made.

Taxation

On account of net loss, no provision for taxation was made in the financial statements of the Fund.

Auditors

The present auditors, KPMG Taseer Hadi & Co., Chartered Accountants, retire and, being eligible, offer themselves for re-appointment for the year ending June 30, 2013.

Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
- 9. In order to apprise the directors on their duties and responsibilities and requirements of CCG, the code requires company to conduct formal orientation for directors. The board did not arrange director training /education program required under the code as all the directors meet the exemption criteria of minimum fourteen years of education and fifteen years of experience. The directors are conversant with the relevant laws applicable to the company, its policies and procedures and provisions of memorandum and articles of association and are aware of their duties and responsibilities.
- 10. The Board has approved appointment of CFO, Company Secretary and Head of Internal Audit, including their remuneration and terms and conditions of employment.
- 11. The Directors' report for this year has been prepared in compliance with the requirements of the CCG and fully describes the salient matters required to be disclosed.
- 12. The financial statements of the Fund were duly endorsed by CEO and CFO before approval of the Board.
- 13. The Directors, CEO and executives do not hold any interest in the Units of the Fund other than that disclosed in note 20 to the financial statements "Transactions with Connected Persons".
- 14. The Company has complied with all the corporate and financial reporting requirements of the CCG.
- 15. The Board has formed an Audit Committee. It comprises of three members, of whom all are non-executive directors and the chairman of the committee is a non-independent director.
- 16. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the Fund and as required by the CCG. The revised terms of reference of the committee have been formed and advised to the committee for compliance.
- 17. The Board has formed an HR Committee. It comprises of four members, of who are non-executive directors and the chairman of the committee is a non-independent director.
- 18. The board has set up an effective internal audit function.

- 19. The statutory auditors of the Fund have confirmed that they have been given a satisfactory rating under the Quality Control Review Program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold units of the Fund and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by ICAP.
- 20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- 21. There was no 'closed period' prior to the announcement of interim/final results.
- 22. Material / price sensitive information has been disseminated amongst all market participants at once through stock exchange.
- 23. We confirm that all other material principles contained in the CCG have been complied with.

FUND MANAGER REPORT

NAFA Islamic Aggressive Income Fund

NAFA Islamic Aggressive Income Fund is an open-end Shariah Compliant Aggressive Income Scheme.

Investment Objective of the Fund

The objective of NIAIF is to seek maximum possible preservation of capital and a reasonable rate of return via investing primarily in Shariah Compliant money market & debt securities having good credit rating and liquidity.

Benchmark

Average 3-month deposit rate of Islamic banks

Fund Performance Review

This is the fifth Annual report since the launch of the Fund on October 29, 2007. The Fund size increased by 0.6% during FY12 and stands at Rs 179 million as on June 30, 2012. The Fund's annualized return since inception is 4.82% versus the benchmark return of 6.71%. The Fund has achieved its objectives by posting annualized return of 19.01% during FY 2011-12. During the same period the benchmark return has been 7.86%.

NIAIF's stability rating is 'BBB+(f)' awarded by PACRA, which denotes an adequate capacity to maintain relative stability in returns and high exposure to risks. Recovery in a cement sector Sukuk contributed to the out-performance of the Fund during FY12. At the same time, the difference between the Face Value of sukuk Portfolio (Rs 216 million) and market/ book value (Rs 77 million) is Rs 139 million. The weighted average yield to maturity of NAFA Islamic Aggressive Income Fund is around 9.14% p.a. while its weighted average time to maturity is 0.84 years. Discounted value of the sukuk portfolio offers potential for healthy recovery of the Fund going forward. However, the sukuk portfolio is exposed to downward risks in case of further deterioration of the economy.

Asset Allocation of Fund (% of NAV)

| Particulars | 30-Jun-12 | 30-Jun-11 |
|------------------|-----------|-----------|
| GOP Ijara Sukuk | 29.58% | 9.45% |
| Sukuk | 42.99% | 68.96% |
| Cash Equivalents | 22.18% | 14.65% |
| Other Assets | 5.25% | 6.94% |
| Total | 100.00% | 100.00% |

We have witnessed few fresh issues of the corporate bonds. Trading activity remained limited to high rated issuers, mainly belonging to Financial sector. Inflation as measured by CPI stood at 11% for FY12 as against 13.3% during the preceding year. With this letup in inflation and to spur private sector investment, SBP reduced the Discount Rate from 14% to 12%. Correspondingly the benchmark 6-Months KIBOR declined to 12.06% from 13.78% during the year.

Unit Holding Pattern of NAFA Islamic Aggressive Income Fund as on 30th June 2012

| Size of Unit Holding (Units) | # of Unit Holders |

| | 126 |

During the period under question:

There has been no significant change in the state of affairs of the Fund, other than stated above. NAFA Islamic Aggressive Income Fund does not have any soft commission arrangement with any broker in the industry.

Workers' Welfare Fund (WWF)

The scheme has maintained provisions against Workers' Welfare Fund's liability to the tune of Rs. 1,221,001/-. If the same were not made the NAV per unit/ FY 2012 return of scheme would be higher by Rs. 0.0588/ 0.81%. For details investors are advised to read note 16 of the Financial Statement of the Scheme for the year ended June 30, 2012.

STATEMENT OF COMPLIANCE WITH THE SHARIAH PRINCIPLES

NAFA Islamic Aggressive Income Fund (the Fund) has fully complied with the Shariah principles specified in the Trust Deed and in the guidelines issued by the Shariah Advisor for its operations, investments and placements made during the year ended June 30, 2012. This has been duly confirmed by the Shariah Advisor of the Fund.

Report of the Shar'iah Advisor - NAFA Islamic Aggressive Income Fund

September 5, 2012/Shawwal 18, 1433 A.H

Alhamdulillah, the period from July 1, 2011 to June 30, 2012 was the fifth year of the operations of NAFA Islamic Aggressive Income Fund (NIAIF). This report is being issued in accordance with clause 5.D.3 of the Trust Deed of the Fund. The scope of the report is to express an opinion on the *Shar'iah* Compliance of the Fund's activity.

We have prescribed the criteria and procedures to be followed in ensuring *Shar'iah* Compliance in every investment.

It is the responsibility of the management company of the fund to establish and maintain a system of internal controls to ensure *Shar'iah* compliance with the *Shar'iah* policies & guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the management company's personnel and review of various documents prepared by the management company to comply with the prescribed criteria.

In light of the above, we hereby certify that:

- i. We have reviewed and approved the modes of investments of NIAIF in light of *Shar'iah* guidelines.
- ii. All the provisions of the scheme and investments made on account of NIAIF by NAFA are *Shar'iah* Compliant and are in accordance with the criteria established.
- iii. On the basis of information provided by the management, nothing has come to our attention that cause us to believe that all the operations of NIAIF for the period ended June 30, 2012 dose not appropriate in compliance with *Shar'iah* principles.

May Allah bless us with best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

Independent Assurance Report to the Unit Holders on the Statement of Compliance with the Shariah Principles

We were engaged by the Board of directors of NBP Fullerton Asset Management Limited, Management Company of NAFA Islamic Aggressive Income Fund (the Fund), to report on Fund's Compliance with the Shariah principles as set out in the annexed statement prepared by the management company for the year ended 30 June 2012 in the form of an independent reasonable assurance conclusion about whether the annexed statement presents fairly, in all material respects, the status of the Fund's compliance with Shariah principles specified in the Trust Deed and in the guidelines issued by the Shariah Advisor as required under clause 5.D.3 of the Trust Deed of the Fund.

Management Company's Responsibilities

The management company of the fund is responsible for preparing the annexed statement that is free from material misstatement in accordance with the Shariah principles specified in the Trust Deed and in the guidelines issued by the Shariah Advisor. This responsibility includes designing, implementing and maintaining internal control relevant to the operations of the Fund in accordance with the Shariah principles and to ensure that Fund's investments and placements are made in compliance with Shariah principles.

Our Responsibilities

Our responsibility is to examine the annexed statement prepared by the Management Company and to report thereon in the form of an independent reasonable assurance conclusion based on the evidence obtained. We conducted our engagement in accordance with International Standard on Assurance Engagements (ISAE 3000) 'Assurance Engagements Other Than Audits or Reviews of Historical Financial Information' issued by the International Auditing and Assurance Standards Board. That standard requires that we comply with ethical requirements, including independence requirements, and plan and perform our procedures to obtain reasonable assurance about whether the annexed statement fairly presents the status of the Fund's compliance with the Shariah principles specified in the Trust Deed and in the guidelines issued by the Shariah Advisor.

The procedures selected depend on our judgment, including the assessment of the risks of material non-compliance with Shariah principles whether due to fraud or error. In making those risk assessments, we have considered internal control relevant to the operations of the Fund in accordance with the Shariah principles in order to design assurance procedures that are appropriate in the circumstances, but not for the purposes of expressing a conclusion as to the effectiveness of the Fund's internal control.

The procedures performed included:

- 1. Checking compliance of specific guidelines issued by the Shariah Advisor relating to charity, maintaining bank accounts and for making investments of the Fund.
- 2. Check that the Shariah Advisor has certified that investments made by the Fund during the period ended 30 June 2012 are in compliance with the Shariah principles and where required purification of income from non-compliant sources has been made in consultation with the Shariah Advisor.

Conclusion

Our conclusion has been formed on the basis of, and is subject to, the matters outlined in this report. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

In our opinion, the annexed statement, in all material respects, presents fairly the status of the Fund's compliance with the Shariah principles specified in the Trust Deed and in the guidelines issued by the Shariah Advisor for the year ended 30 June 2012.

Review Report to the Unit Holders of NAFA Islamic Aggressive Income Fund ("the Fund") on Statement of Compliance with Best Practices of Code of Corporate Governance

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance prepared by the Board of Directors of **NBP Fullerton Asset Management Limited** ("the Management Company") to comply with the Listing Regulation of Lahore Stock Exchange, where the Fund is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Management Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Fund's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Management Company personnel and review of various documents prepared by the Management Company to comply with the Code.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We have not carried any special review of the internal controls system to enable us to express an opinion as to whether the Board's statement on internal controls covers all controls and the effectiveness of such internal controls.

Further Listing Regulations of the Lahore Stock Exchange (Guarantee) Limited requires the Management Company to place before the Board of Directors for their consideration and approval related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the audit committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the Board of Directors and placement of such transactions before the audit committee. We have not carried out any procedures to determine whether the related party transactions were under taken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Fund's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance.

INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS Report on the Financial Statements

We have audited the accompanying financial statements of NAFA Islamic Aggressive Income Fund ("the Fund"), which comprise of the statement of assets and liabilities as at 30 June 2012 and the income statement, statement of comprehensive income, distribution statement, cash flow statement, statement of movement in Unit Holders' Fund for the year then ended and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

The Management Company of the Fund is responsible for the preparation of the financial statements in accordance with approved accounting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of the financial statements that is free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the schedule, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Fund's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the state of the Fund's affairs as at 30 June 2012 and of its financial performance, cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

Other matters

The financial statements of the Fund for the year ended 30 June 2011 were audited by another firm of auditors whose report dated 03 October 2011 expressed an unqualified opinion thereon.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation Rules, 2003) and Non-Banking Finance Companies and Notified Entities Regulations, 2008.

Notes to and forming part of the Financial Statements For the year ended 30 June 2012

1 LEGAL STATUS AND NATURE OF BUSINESS

NAFA Islamic Aggressive Income Fund ("the Fund") was established under a Trust Deed executed between NBP Fullerton Asset Management Limited as Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed on 20 August 2007 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on 03 September 2007 in accordance with the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003.

During the period Central Depository Company of Pakistan Limited (CDC) retired as the Trustee of the Fund and MCB Financial Services Limited (MCBFSL) was appointed as the new Trustee with effect from 22 November 2011. The SECP approved the appointment of MCBFSL as the Trustee in place of CDC and further approved the amendments to the Trust Deed vide its letter number SCD/AMCWING/VS/NIF/458/2011 dated 15 November 2011. Accordingly, the Trust Deed of the Fund was revised through a supplemental Trust Deed executed between the Management Company, CDC and MCBFSL.

The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by SECP. The registered office of the Management Company is situated at 9th Floor, Adamjee House, I.I.Chundrigar Road, Karachi. The Management Company is also the member of MUFAP.

The Fund is an open-ended mutual fund and is listed on the Lahore Stock Exchange. Units are offered for public subscription on a continuous basis. The units are transferable and can be redeemed by surrendering them to the Fund.

The core objective of the Fund is to provide preservation of capital and earn a reasonable rate of return. The principal activity of the Fund is to make investments in Shariah compliant securities, having a good credit rating and liquidity subject to the guidlines prescribed by SECP.

The Pakistan Credit Rating Agency Limited has assigned an asset manager rating of AM2 to the Management Company and a stability rating of BBB+(f) to the Fund.

Title to the assets of the Fund is held in the name of MCB Financial Services Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of NBFC Rules, the NBFC Regulations or directives issued by the SECP differ with the requirements of IFRS, the requirements of the NBFC Rules, the NBFC Regulations or the directives issued by the SECP prevail.

2.2 Accounting convention

These financial statements have been prepared under the historical cost convention except for certain investments which are carried at fair values.

2.3 Functional and presentation currency

These financial statements are presented in Pakistan Rupees, which is the Fund's functional currency. All financial information presented in Pakistan Rupees has been rounded to the nearest thousand rupees, except otherwise stated.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise their judgment in the process of applying the Fund's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Fund's financial statements or where judgment was exercised in application of accounting policies principally relate to classification and valuation of investments and impairment thereagainst (note 3.1.1 and 3.1.5).

2.5 Standards, Interpretations and Amendments not yet effective

The following standards, amendments and interpretations of approved accounting standards will be effective for accounting periods beginning on or after 01 July 2012:

- Amendments to IAS 12 deferred tax on investment property (effective for annual periods beginning on or after January 01, 2012). The 2010 amendment provides an exception to the measurement principle in respect of investment property measured using the fair value model in accordance with IAS 40 Investment Property. The measurement of deferred tax assets and liabilities, in this limited circumstance, is based on a rebuttable presumption that the carrying amount of the investment property will be recovered entirely through sale. The presumption can be rebutted only if the investment property is depreciable and held within a business model whose objective is to consume substantially all of the asset's economic benefits over the life of the asset. The amendment has no impact on financial statements of the Fund.
- IAS 19 Employee Benefits (amended 2011) (effective for annual periods beginning on or after January 01, 2013). The amended IAS 19 includes the amendments that require actuarial gains and losses to be recognised immediately in other comprehensive income; this change will remove the corridor method and eliminate the ability for entities to recognise all changes in the defined benefit obligation and in plan assets in profit or loss, which currently is allowed under IAS 19; and that the expected return on plan assets recognised in profit or loss is calculated based on the rate used to discount the defined benefit obligation. The amendments have no impact on financial statements of the Fund.
- Presentation of Items of Other Comprehensive Income (Amendments to IAS 1) (effective for annual periods beginning on or after July 01, 2012). The amendments require that an entity present separately the items of other comprehensive income that would be reclassified to profit or loss in the future if certain conditions are met from those that would never be reclassified to profit or loss. The amendments do not address which items are presented in other comprehensive income or which items need to be reclassified. The requirements of other IFRSs continue to apply in this regard. The amendments would result in increased disclosures in the financial statements of the Fund. IAS 27 Separate Financial Statements (2011) (effective for annual periods beginning on or after January 01, 2013). IAS 27 (2011) supersedes IAS 27 (2008). Three new standards IFRS 10 Consolidated Financial Statements, IFRS 11- Joint Arrangements and IFRS 12- Disclosure of Interest in Other Entities dealing with IAS 27 would be applicable effective 1 January 2013. IAS 27 (2011) carries forward the existing accounting and disclosure requirements for separate financial statements, with some minor clarifications. The amendments have no impact on financial statements of the Fund.
- IAS 28 Investments in Associates and Joint Ventures (2011) (effective for annual periods beginning on or after January 01, 2013). IAS 28 (2011) supersedes IAS 28 (2008). IAS 28 (2011) makes the amendments to apply IFRS 5 to an investment, or a portion of an investment, in an associate or a joint venture that meets the criteria to be classified as held for sale; and on cessation of significant influence or joint control, even if an investment in an associate becomes an investment in a joint venture. The amendments have no impact on financial statements of the Fund.
- Offsetting Financial Assets and Financial Liabilities (Amendments to IAS 32) (effective for annual periods beginning on or after January 01, 2014). The amendments address inconsistencies in current practice when applying the offsetting criteria in IAS 32 Financial Instruments: Presentation. The amendments clarify the meaning of 'currently has a legally enforceable right of set-off'; and that some gross settlement systems may be considered equivalent to net settlement.
- Offsetting Financial Assets and Financial Liabilities (Amendments to IFRS 7) (effective for annual periods beginning on or after January 01, 2013). The amendments to IFRS 7 contain new disclosure requirements for financial assets and liabilities that are offset in the statement of financial position or subject to master netting agreement or similar arrangement. This amendment is not likely to have any impact on Fund's financial statements.
- Annual Improvements 2009–2011 (effective for annual periods beginning on or after January 01, 2013). The new cycle of improvements contains amendments to the following four standards, with consequential amendments to other standards and interpretations.
- IAS 1 Presentation of Financial Statements is amended to clarify that only one comparative period which is the preceding period is required for a complete set of financial statements. If an entity presents additional comparative information, then that additional information need not be in the form of a complete set of financial statements. However, such information should be accompanied by related notes and should be in accordance with IFRS. Furthermore, it clarifies that the 'third statement of financial position', when required, is only required if the effect of restatement is material to statement of financial position. The amendment has no impact on Fund's financial statements.
- IAS 16 Property, Plant and Equipment is amended to clarify the accounting of spare parts, stand-by equipment and servicing equipment. The definition of 'property, plant and equipment' in IAS 16 is now considered in determining whether these items should be accounted for under that standard. If these items do not meet the definition, then they are accounted for using IAS 2 Inventories. The amendment has no impact on Fund's financial statements.

- IAS 32 Financial Instruments: Presentation is amended to clarify that IAS 12 Income Taxes applies to the accounting for income taxes relating to distributions to holders of an equity instrument and transaction costs of an equity transaction. The amendment removes a perceived inconsistency between IAS 32 and IAS 12.
- IAS 34 Interim Financial Reporting is amended to align the disclosure requirements for segment assets and segment liabilities in interim financial reports with those in IFRS 8 Operating Segments. IAS 34 now requires the disclosure of a measure of total assets and liabilities for a particular reportable segment. In addition, such disclosure is only required when the amount is regularly provided to the chief operating decision maker and there has been a material change from the amount disclosed in the last annual financial statements for that reportable segment. The amendment may result in modified disclosure in the interim financial statements.
- IFRIC 20 Stripping cost in the production phase of a surface mining (effective for annual periods beginning on or after January 01, 2013). The interpretation requires production stripping cost in a surface mine to be capitalized if certain criteria are met. The amendments have no impact on financial statements of the Fund.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied unless otherwise stated:

3.1 Financial assets

3.1.1 Classification

The Fund classifies its financial assets in the following categories: loans and receivables, at fair value through profit or loss, held to matutity and available for sale. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets at initial recognition and re-evaluates this classification on a regular basis.

a) Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

b) Financial assets at fair value through profit or loss

Financial assets that are acquired principally for the purpose of generating profit from short-term fluctuations in prices are classified as held for trading in the financial assets 'at fair value through profit or loss' category.

c) Held to maturity

Financial assets with fixed or determinable maturity where management has both the positive intent and ability to hold till maturity are classified as held to maturity.

d) Available for sale

Non-derivative financial assets that are intended to be held for an indefinite period of time which may be sold in response to needs for liquidity or changes in prices. Available for sale financial assets are those non-derivative financial assets that are designated as available for sale or are not classified as (a) loans and receivables, (b) held to maturity investments or (c) financial assets at fair value through profit or loss.

3.1.2 Regular way contracts

All regular purchases and sales of financial assets that require delivery within the time frame established by regulation or market convention are recognised on the trade date - the date on which the Fund commits to purchase or sell the assets.

3.1.3 Initial recognition and measurement

Financial assets are initially recognised at fair value plus transaction costs except for financial assets carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the income statement.

3.1.4 Subsequent measurement

Subsequent to initial recognition, financial assets designated by the management as at fair value through profit or loss and available for sale are valued as follows:

a) Basis of valuation of debt securities

The debt securities are valued on the basis of rates determined by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by SECP for valuation of debt securities vide its Circular No.1 of 2009 dated January 6, 2009. In the determination of the rates, MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The circular also specifies the valuation process to be followed for each category as well as the criteria for the provisioning of non-performing debt securities.

b) Basis of valuation of equity securities

The investment of the Fund in equity securities is valued on the basis of closing quoted market prices available at the stock exchange.

c) Basis of valuation of Government Securities

The government securities are valued on the basis of rates announced by the Financial Markets Association of Pakistan.

Net gains and losses arising from changes in fair value of available for sale financial assets are taken to the 'statement of comprehensive income' until these are derecognised or impaired. At this time, the cumulative gain or loss previously recognised directly in the 'statement of comprehensive income' is transferred to the 'income statement'.

Net gains and losses arising from changes in the fair value of financial assets carried at fair value through profit or loss are taken to the Income Statement.

Loans and receivables are carried at amortised cost using the effective interest method.

3.1.5 Impairment of financial assets

The carrying value of the Fund's assets are reviewed at each reporting date to determine whether there is any indication of impairment. If such an indication exists, the recoverable amount of such asset is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in the income statement. Provision for non-performing debt securities and other exposures is made in accordance with the criteria specified in circular 1 dated January 6, 2009 and circular No. 13 dated May 4, 2009 issued by SECP. The provisioning policy has been duly formulated and approved by the Board of Directors of Management Company.

3.1.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

3.2 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired.

3.3 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are only offset and the net amount reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amount and the Fund intends to either settle on a net basis, or to realise the asset and settle the liability simultaneously.

3.4 Derivative Financial Instruments

Derivative instruments that are held by the Fund primarily comprise of futures contracts in the capital market and are classified in held for trading investments, subcategory under investment 'at fair value through profit or loss'. These are measured at initially and of each subsequent measurement at their fair values which is calculated as being the net difference between the contract price and the closing price reported on the primary exchange of the futures contract. Derivatives with positive market values (unrealised gains) are included in other assets and derivatives with negative market values (unrealised losses) are included in other liabilities in the balance sheet. The resultant gains and losses are included in the income currently. All derivatives in a net receivables positions (positive fair values) and reported as financial asset held for trading. All derivatives in a net payable position (negative fair values) are reported as financial liabilities held for trading.

3.5 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of operations of the Fund. These costs are being amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund and the NBFC Regulations.

3.6 Provision

A provision is recognised in the balance sheet when the Fund has a legal or constructive obligation as result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are regularly reviewed and are adjusted to reflect the current best estimate.

3.7 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed among the unit holders.

The Fund is exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

The Fund provides for deferred taxation using the balance sheet liability method on all major temporary differences between the amounts used for financial reporting purposes and amounts used for taxation purposes. In addition, the Fund also records deferred tax asset if any to the extent that it is probable that the related tax benefit will be realised. However, the Fund has not recognised any amount in respect of taxation in these financial statements as the Fund intends to continue availing the tax exemption in future years by distributing at least ninety percent of its accounting income for the year as redued by capital gains, whether realised or unrealised, to its unit holders every year.

3.8 Proposed distribution

Distributions declared subsequent to the balance sheet date are considered as non-adjusting events and are recognised in the financial statements in the period in which such distributions are declared. Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund requires that the Fund is required to distribute 90% of the net accounting income other than unrealized capital gains / loss to the unit holders. However during the year no distribution in respect of the accounting income for the year ended 30 June 2012 has been made due to loss.

3.9 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours of that day. The offer price represents the Net Asset Value per unit as of the close of the business day plus the allowable sales load, provision for transaction costs and any provision for duties and charges, if applicable. The sales load is payable to the Management Company, Investment facilitators or distributors. Transaction costs are recorded as the income of the Fund.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors receive redemption applications during business hours of that day. The redemption price represents the Net Asset Value per unit as of the close of the business day less any back-end load, any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

3.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the 'element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

Up to 30 June 2011, the Fund recorded portion of the net element of income / (loss) and capital gains /(losses) relating to units issued and redeemed during an accounting period on account of gains / (losses) that formed part of the Unit Holders' Funds in a separate reserve account, and any amount remaining in this reserve account at the end of an accounting period (whether gain or loss) was included in the amount available for distribution to the unit holders. At the end of the acounting period the portion of net income / (loss) relating to units issued and redeemed during such accounting period had been transferred to inome statement and remaining amount had been transferred to distribution statement.

The calculation of element of income and capital gains included in the price of units issued less those in the units redeemed and its bifurcation between reserve and income statement has been based on prevailing NAV on the date of transaction of sale and redemption and initial offer price. Based on the proposal by the Mutual Fund Association of Pakistan (MUFAP) regarding the change in the treatment of "Element of Income and Capital Gains included in the prices of units issued less those on units redeemed" and subsequent directive dated 09 June 2011 by SECP, the Management Company of the Fund has revised the calculation to estimate element of income and capital gains included in the price of units issued less those in the units redeemed based on NAV comparison and decided to recorded full amount directly into distribution statement effective from 1 July 2011.

The above change does not have any impact on the NAV of the Fund. However, had the change in estimate not been made the undistributed income carried forward as on 30 June 2012 would have been higher by Rs. 2.39 million.

3.11 Earnings per unit

Earnings per unit (EPU) has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.

3.12 Revenue recognition

- Realised capital gains / (losses) arising on sale of investments are included in the Income Statement on the date at which the transaction takes place.
- Unrealised gains / (losses) arising on marking to market of investments classified as ' Financial assets at fair value through profit or loss ' are included in the Income Statement in the period in which they arise.
- Profit on bank deposits, investments in debt securities and income from government securities is recognised using the effective interest method.
- Income on issue and redemption of units is recognised when units are issued and redeemed on the transaction date.

3.13 Cash and cash equivalents

Cash and cash equivalent comprise of bank balances and those investments which are readily convertible to known amount of cash subject to an in significant risk of significant changes of values and have maturities of less than three months from the date of acquisition.

3.14 Foreign currency translation

Transactions in foreign currencies are translated into Rupees at rates of exchange on the date of transaction. Monetary assets and liabilities in foreign currencies are translated into Pakistani Rupees at the rates of exchange ruling on the balance sheet date. All other exchange differences are charged to income statement.

16 PROVISION FOR WORKERS' WELFARE FUND

The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs. 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh (the Court), challenging the applicability of WWF to the CISs, which is pending adjudication. However, without prejudice to the above, the Management Company made a provision for WWF contribution in the annual financial statements for the year ended June 30, 2010.

During 2010, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. This clarification was forwarded by Federal Board of Revenue (FBR) (being the collecting agency of WWF on behalf of the Ministry) to its members for necessary action. Based on this clarification, the FBR also withdrew notice of demand which it had earlier issued to one of the mutual funds for collection of WWF. Notices of demand have also been issued to several other mutual funds and the matter has been taken up by the respective mutual funds with the FBR for their withdrawal on the basis of the above referred clarification of the Ministry.

Furthermore, in 2011, the Honorable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional. The Management Company is hopeful that the decision of the LHC, will lend further support to the Constitutional Petition which is pending in the SHC.

In view of above stated facts and considering the uncertainty on the applicability of WWF to mutual funds due to show cause notices issued to a number of mutual funds, the management company as a matter of abundant caution has decided to continue to maintain the provision for WWF for the year ended 30 June 2012. As at 30 June 2012 the management has manitained provision against Workers' Welfare Funds' amouting to Rs. 1.221 million, if the same were not made the NAV Per unit of the Fund would have been higher by Rs. 0.0588.

17 TAXATION

Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 provides exemption from tax to any income derived by a Mutual Fund, if not less than ninety percent of its accounting income of a year as reduced by capital gains whether realize or unrealized is distributed among the unit holders. As the Fund is in loss during the year, therefore no distribution and provision hav been made in these financial statements for the year ended 30 June 2012.

18 NON-COMPLIANCE WITH THE CIRCULAR AS SPECIFIED BY THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

The Securities and Exchange Commission of Pakistan (SECP) vide circular no. 7 of 2009 dated 06 March 2009 required all Asset Management Companies to classify funds under their management on the basis of categorisation criteria laid down in the circular. The Management Company classified NAFA Islamic Aggressive Income Fund as 'Shariah Compliant (Islamic) Scheme' and Aggressive Fixed Income Scheme' in accordance with the said circular. As at 30 June 2012, the Fund is compliant with all the requirements of the said circular except for clause 5(ii) which requires that rating of any security in the portfolio shall not be lower than investment grade. Non compliance of the said circular are as follows:

| Name of non- compliant investment | Type of investment | Value of investment before provision | Provision held, if any | Value of investment after provision | Percentage of net assets | Percentage of gross assets |

25 FINANCIAL RISK MANAGEMENT

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are based on limits established by the Management Company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund.

The Fund's risk management policies are established to identify and analyse the risks faced by the Fund, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed by Board of Directors and Audit Committee regularly to reflect changes in market conditions and the Fund's activities.

The management of these risks is carried out by the Investment Committee (IC) under policies approved by the Board of Directors of the Management Company. The IC is constituted and approved by the Board of Directors of the Management Company. IC is responsible to devise the investment strategy and manage the investment portfolio of the Fund in accordance with limits prescribed in the Non Banking Finance Companies and Notified Entities Regulations, 2008, offering document of the Fund in addition to Fund's internal risk management policies.

The Fund primarily invests in a portfolio of money market investments such as investment-grade debt securities, government securities and other money market instruments. These activities are exposed to a variety of financial risks i.e market risk (which includes currency risk, interest rate risk and price risk), credit risk and liquidity risk arising from the financial instruments it holds.

25.1 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price of securities due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market. Market risk comprises of three types of risk: currency risk, interest rate risk and other price risk (equity price risk).

Management of market risk

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Board of Directors and regulations laid down by SECP.

25.2 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Fund, at present is not exposed to currency risk as its operations are geographically restricted to Pakistan and all transactions are carried out in Pak Rupees.

25.3 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

(a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds KIBOR based interest bearing term finance certificates and sukuk bonds exposing the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in KIBOR on 30 June 2012, with all other variables held constant, the net assets of the Fund and net income for the year would have been higher / lower by Rs. 1.834 million (2011: Rs 1.34 million).

The composition of the Fund's investment portfolio, KIBOR rates and rates announced by Financial Market Association is expected to change over time. Further, in case of variable instruments, the sensitivity analysis has been performed from the last repricing date. Accordingly, the sensitivity analysis prepared as of 30 June 2012 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

(b) Sensitivity analysis for fixed rate instruments

Presently, the Fund holds no fixed rate instruments.

Yield / Interest Rate Risk

Yield / interest rate sensitivity position for on balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

25.4 Price Risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instrument traded in the market. Presently, the Fund is not exposed to equity securities price risk as the Fund does not hold any equity securities asat 30 June 2012.

25.5 Credit risk

Credit risk arising from the inability of the counterparties to fulfill their obligations in respect of financial instrument contracts, is generally limited to the principal amount and accrued income thereon.

Management of credit risk

The Fund's policy is to enter into financial contracts with reputable counterparties in accordance with the internal risk management policies and investment guidelines approved by the Board of Directors. The IC closely monitors the credit worthiness of the Fund's counterparties (e.g., issuer of the instruments, brokers, banks, etc.) by reviewing their credit ratings, financial statements and press releases on a regular basis. In addition the credit risk is also minimized due to the fact that the Fund only invests in the high quality financial assets, majority of which have been rated by a reputable rating agency. All transactions in debt securities are settled/paid upon delivery. The risk of default in such transactions is considered minimal, as delivery of securities is guaranteed by reputable brokers or the transactions are carried with counter parties of high reputation. Further, bank accounts are held only with reputable banks.

Concentration of the credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial assets is broadly diversified and transactions are entered into with diverse credit worthy counterparties thereby mitigating any significant concentration of credit risk.

The analysis below summarises the credit quality of the Fund's financial assets as at 30 June 2012 and 30 June 2011.

| Not Rated | 22,284 | - | |

The maximum exposure to credit risk before any credit enhancement as at 30 June 2012 is the carrying amount of the financial assets.

25.6 Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in meeting obligations arising from its financial liabilities that are settled by delivering cash or another financial asset, or that such obligations will have to be settled in a manner disadvantageous to the Fund.

Management of liquidity risk

The Fund is exposed to daily cash redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions, without incurring unacceptable losses or risking damages to the Fund's reputation. Its policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

The Fund has the ability to borrow in the short term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue.

Maturity analysis for financial liabilities

The table below analyses the Fund's liabilities into relevant maturity groupings based on the remaining period at the balance sheet date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows:

26 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the amount for which an asset could be exchanged, or liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction onadverse terms.

The fair value of financial assets and liabilities traded in active markets are based on the quoted market prices at the close of trading on the year end date. The Fund does not hold any any securities that are based on quoted market prices.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

The fair value of financial assets (e.g. Treasury bills, Terms finance certificates and Sukuks) that are not traded in an active market is determined with reference to the rates quoted by Financial Market Association of Pakistan and MUFAP. The fair value quoted by MUFAP is calculated in accordance with valuation methodology prescribed by Circular 1 of 2009 dated January 6, 2009 issued by the Securities and Exchange Commission of Pakistan (SECP).

If a security is not quoted by MUFAP due to it being 'non-performing status', its values is determined by applying discount in accordance with Circular No. 1 of 2009 issued by the SECP.

The estimated fair value of other financial assets and liabilities is considered not significantly different from carrying values as the items are either short term in nature or periodically repriced.

IFRS 7, 'Financial instruments: Disclosures' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liablities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

27 UNIT HOLDERS' FUND RISK MANAGEMENT

The units holders' fund is represented by redeemable units. These units are entitled to distributions and to payment of a proportionate share, based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the statement of movement in unit holders' fund.

The Fund has no restrictions on the subscription and redemption of units. There is no specific capital requirement which is applicable on the Fund.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to unit holders and to maintain a strong base of assets under management.

In accordance with the risk management policies stated in note 24, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption, such liquidity being augmented by shortterm borrowing arrangements (which can be entered if necessary) or disposal of investments where necessary.

28 DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorised for issue by the Board of Directors of the Management Company on September 11, 2012.

29 GENERAL

29.1 The bifurcation of undistributed income into realised and unrealised income at the beginning and end of the year as required by the NBFC Regulations has not been disclosed as such bifurcation is not practicable.
