# **DIRECTORS' REPORT**

The Board of Directors of NBP Fullerton Asset Management Limited is pleased to present the reviewed financial statements of NAFA Islamic Principal Protected Fund - I for the half year ended December 31, 2014.

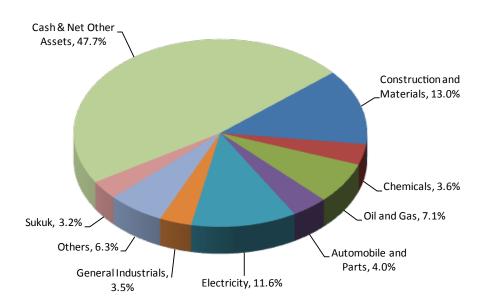

#### Fund's Performance

During the period, the unit price of NAFA Islamic Principal Protected Fund-I has increased from Rs. 101.6909 on June 30, 2014 to Rs.111.9224 on December 31, 2014, thus showing an increase of 10.06%. The benchmark (Daily weighted return of KMI-30 index & Islamic Bank Deposits based on Funds' actual allocation) return during the same period was 4.42%. Thus, the Fund has outperformed its benchmark by 5.64% during the period under review. This performance is net of management fee and all other expenses. The size of NAFA Islamic Principal Protected Fund-I is Rs.1,719 million.

The stock market extended its bull-run in 1HFY15, despite initial hiccups caused by protests of PTI and PAT, as the market participants focused on improving macros driven primarily by the steep fall in global oil and commodity prices. The tragic incident at the Army Public School in Peshawar united the nation in its fight against terrorism and also resulted in end of the PTI protests, further consolidating Pakistan's re-rating theme. The combination of sovereign debt rating upgrade by Moodys falling inflation amid declining oil prices, 50bps cut in discount rate, improving external account position, easy liquidity conditions, and healthy foreign investment activity perked up investors' sentiments. The index heavy Oil & Gas and Banking sectors underperformed the market whereas almost all the other sectors outperformed during the period under review.

During the period under review, the State Bank of Pakistan reduced the policy rate by 50bps to 9.5% mainly due to sharp decline in inflation and improved external account position. Sovereign securities responded to the loose monetary policy stance with yields on short term and long term sovereign bonds declining sharply. Going forward, we view that declining trend in inflation along with mitigation of risk to external account could further repress the interest rates.

The Fund has earned total income of Rs.191.19 million during the period. After deducting expenses of Rs.29.67 million, the net income is Rs.161.52 million. The asset allocation of the Fund as on December 31, 2014 is as follows:

# Acknowledgement

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of NAFA Islamic Principal Protected Fund I as at December 31, 2014 and the related condensed interim income statement, condensed interim distribution statement, condensed interim statement of movement in unit holders' funds and condensed interim cash flow statement together with the notes forming part thereof (here-in-after referred to as the 'condensed interim financial information'), for the half year ended December 31, 2014. The Management Company (NBP Fullerton Asset Management Limited) is responsible for the preparation and presentation of this condensed interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this condensed interim financial information based on our review. The figures of the condensed interim income statement, condensed interim statement of comprehensive income, condensed interim distribution statement, condensed interim statement of unit holders' fund and condensed interim cash flow statement for the quarter ended December 31, 2014 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2014.

#### Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information as of and for the half year ended December 31, 2014 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

- 6.1 Under the provisions of the Trust Deed, the Management Company has charged remuneration at the rate of 2% per annum based on the daily net assets of the Fund during the half year ended December 31, 2014. The amount of remuneration is paid monthly in arrears.
- **6.2** The Provincial Government of Sindh has levied Sindh Sales Tax at the rate of 15% (June 30, 2014: 16%) on the remuneration of the Management Company through the Sindh Sales Tax on Services Act, 2011.
- 6.3 As per the requirements of the Finance Act, 2013, Federal Excise Duty (FED) at the rate of 16% on the remuneration of the Management Company has been applied effective June 13, 2013. The Management Company is of the view that since the remuneration is already subject to the provincial sales tax as explained in note 6.2, further levy of FED may result in double taxation, which does not appear to be the spirit of the law.

The matter has been collectively taken up by the Management Company jointly with other Asset Management Companies together with their respective Collective Investment Schemes through their trustees, through a Constitutional Petition filed in the Honourable Sindh High Court (SHC) during September 2013 challenging the levy of FED. In this respect, the SHC has issued a stay order against the recovery of FED and the hearing of the petition is still pending.

Pending decision of the SHC, the Fund is not making payments for FED. However, the Fund, as a matter of abundant caution, has made full provision in respect of FED amounting to Rs 4.372 million. Had the provision not been made the net asset value per unit of the Fund as at December 31, 2014 would have been higher by Rs 0.2847 per unit.

#### 7 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at the December 31, 2014 and June 30, 2014.

#### 8 PROVISION FOR WORKERS' WELFARE FUND

The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 ("WWF Ordinance"). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds ("CISs") whose income exceeds Rs. 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh (the Court), challenging the applicability of WWF to the CISs, which is pending adjudication.

During the year ended June 30, 2012, the Honourable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006 and the Finance Act, 2008, had declared the said amendments as unlawful and unconstitutional. In March 2013, a larger bench of the Honourable Sindh High Court (SHC) passed an order declaring that the amendments introduced in the WWF Ordinance, 1971 through the Finance Act, 2006 and the Finance Act, 2008 do not suffer from any constitutional or legal infirmity. However, the Honorable High Court of Sindh has not addressed the other amendments made in the WWF Ordinance 1971 about applicability of WWF to the CISs which is still pending before the Court. In a recent judgment, the Peshawar High Court (PHC) has also held these amendments to be ultra vires as they lacked the essential mandate to be introduced and passed through the Money Bill under the Constitution. Without prejudice to the above, the Management Company, as a matter of abundant caution, has decided to retain the provision for WWF amounting to Rs 4.163 million (including Rs 3.296 million for the current period) in this condensed interim financial information. Had the same not been made the net asset value per unit of the Fund as at December 31, 2014 would have been higher by Rs 0.2711 per unit.

#### 9 NET ASSET VALUE PER UNIT

The net asset value (NAV) per unit, as disclosed on the condensed interim statement of Assets and Liabilities, is calculated by dividing the net assets of the Fund by the number of units in issue at the period end.

# 10 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. The management intends to distribute atleast 90% of the Fund's net accounting income earned by the year end to the unit holders. Accordingly, no provision in respect of taxation has been made in this condensed interim financial information.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

#### 11 EARNINGS PER UNIT

Earnings per unit (EPU) has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.
