Investment Objective

To earn a reasonable rate of return along with a high degree of liquidity by investing in short-term Shari'ah Compliant bank deposits and money market/debt securities.

Fund Manager Commentary

During the month, the Fund generated an annualized return of 8.1% against the benchmark return of 3.7%. The performance is net of management fee and all other expenses.

The Fund aims to consistently generate better return than the profit rates offered by Islamic Banks / Islamic windows of commercial banks, while also providing easy liquidity along with a high quality credit profile. The Fund is allowed to invest in Shariah Compliant Government Securities of maturity up to 3 years as well as Shariah Compliant money market and debt securities of up to 2 years maturity rated AA- or better.

Around 25% of net assets of the portfolio are allocated in bank deposits. The weighted average time-to-maturity of the Fund is 138 days.

We will rebalance the allocation of the Fund proactively based on the capital market outlook.
