### **Investment Objective**

The objective of the Fund is to provide investors an opportunity to earn attractive return from an actively managed portfolio of Shari'ah Compliant Equity Fund and Income Fund.

### **Fund Manager's Commentary**

NBP Funds launched its NAFA Islamic Active Allocation Plan-VII (NIAAP-VII) in June, 2017 which is the second plan under NAFA Islamic Active Allocation Fund-II. The Active Allocation Plan is dynamically managed between dedicated equity related and income schemes managed by NBP Funds based on the Fund Manager's outlook of the authorized asset-classes. The Plan is presently closed for new subscription. NIAAP-VII has an initial maturity of two years.

Since inception, unit price of NIAAP-VII has decreased by 4.3% p.a versus the Benchmark decline of 2.9% p.a. The current exposure in Income Fund and Equity Fund stands at 30.9% & 60.4%, respectively. The Plan can invest up to 100% in equity funds. We are confident that the Plan will generate good returns considering the improved macroeconomic and political outlook and dynamic equity allocation mechanism of the Fund.
