Investment Objective

The objective of NAFA Islamic Principal Preservation Fund is to earn a potentially high return through dynamic asset allocation between Shariah compliant equity related, and Shariah compliant income/ money market Collective Investment Schemes, while providing principal preservation.

Fund Manager's Commentary

Since inception, NIPPF has generated a return of 4.2% versus 1.7% return of the Benchmark. The current exposure in equity/asset allocation funds stands at around 39%. During the month, maximum multiplier stood at 4.1 whereas minimum multiplier was 3.7. The Fund can invest up to 100% in equity related funds subject to cushion availability. We are confident that the Fund will generate good returns considering the improved macroeconomic and political outlook and built in dynamic equity allocation mechanism of the Fund.
