Investment Objective

The objective of NAFA Islamic Principal Protection Fund-I is to earn a potentially high return through dynamic asset allocation between shariah compliant Equities and Money Market investment avenues, while providing principal protection.

Fund Manager's Commentary

NAFA launched its first open-end Islamic capital protected fund namely NAFA Islamic Principal Protected Fund (NIPPF-1) this March. The aim of the Fund is to provide capital growth over the long-term by investing in approved Shariah compliant equities and money market instruments while protecting initial investment value at Initial Maturity date, which is two years from launch date. The Fund is presently closed for new subscription.

Since inception, NIPPF- I has generated a cumulative return of 13.0% versus 8.2% return of the Benchmark. The current equity exposure stands at around 49%. Key holdings of the Fund belong to Construction & Materials, Electricity and Oil and Gas sectors. The Fund can invest up to 50% in equities. We are confident that the Fund will generate good returns considering the improved macroeconomic and political outlook and built in dynamic equity allocation mechanism of the Fund.

Asset Allocation (% of Total Assets) 31-Dec-14 28-Nov-14
