Fund Manager's Commentary

The Fund generated an annualized return of 10.6% p.a. for the month of June 2019 versus the Benchmark return of 4.5%, thus registering an outperformance of 6.1% p.a. This reported return is net of management fee and all other expenses.

The Fund aims to consistently provide better return than the profit rates offered by Islamic Banks / Islamic windows of commercial banks. Minimum eligible rating is AA, while the Fund is not allowed to invest in any security exceeding six months maturity. The weighted average time to maturity of the Fund cannot exceed 90 days while also providing easy liquidity along with a high quality credit profile.

Around 100% of net assets of the Fund are invested in bank deposits which enhances the liquidity profile of the Fund. The weighted average time to maturity of the Fund is 1 day.

We will rebalance the allocation of the Fund proactively based on the capital market outlook.
