Investment Objective
 The objective of the Fund is to provide investors an opportunity to earn attractive return from an actively managed portfolio of Shari'ah Compliant Equity Fund and Income Fund.

Fund Manager Commentary
 NBP Funds launched its NAFA Islamic Active Allocation Plan-VIII (NIAAP-VIII) in November, 2017 which is the third plan under NAFA Islamic Active Allocation Fund-II. The Active Allocation Plan is dynamically managed between dedicated equity related and income schemes managed by NBP Funds based on the Fund Manager's outlook of the authorized asset-classes. The Plan is presently closed for new subscription. NIAAP-VIII has an initial maturity of two years.

Since inception, NIAAP-VIII has generated a return of 4.4% p.a versus Benchmark return of 4.0% p.a. The current exposure in Income Fund and Equity Fund stands at 17.8% & 74.1%, respectively. The Plan can invest up to 100% in equity funds. We are confident that the Plan will generate good returns considering the improved macroeconomic and political outlook and dynamic equity allocation mechanism of the Fund.

Top Holdings (as on January 31, 2020)
