Investment Objective

The objective of the Fund is to provide investors with long term capital growth from an actively managed portfolio of Shari'ah Compliant listed equities.

Fund Manager Commentary

NBP Funds launched its second open-end Islamic Equity Fund namely NBP Islamic Active Allocation Equity Fund (NIAAEF) in January, 2016. The aim of the Fund is to provide growth to the investment of unit holders over the long-term in approved Shariah Compliant equities.

NIAAEF started off the month with an allocation of around 83% in equities, which was increased to 93% towards the end of the month. NIAAEF outperformed the Benchmark in July as the Fund was underweight in select Oil & Gas Exploration Companies, Oil & Gas Marketing Companies, and Fertilizer sectors stocks which underperformed the market and overweight in select Engineering, Cement, and Commercial Banks sectors stocks which outperformed the market. During the month, the allocation was increased primarily in Automobile Assembler, Cement, and Commercial Banks sectors, whereas it was reduced primarily in Fertilizer and Paper & Board sectors.
