Note:

~~1. *Subject to maximum Multiplier of 4 (or as promulgated by SECP from time to time) will be used to determine exposure in risky assets in line with Circular No.18 of 2015 by Commission.~~

Cushion Value Percentage	Maximum Multiplier
0%—2.5%	0
2.6%—5%	2
5.1% and greater	4

*Subject to maximum Multiplier of 5 (or as promulgated by SECP from time to time) will be used to determine exposure in risky assets in line with Circular No.8 of 2019 by Commission⁴.

~~2.1.~~ The Management Company will immediately rebalance the asset composition of the Plan in accordance with its approved methodology discussed in the Offering Document of the Plan, at least on 5% decline in Portfolio Value of the Plan from the previous rebalancing or on weekly basis, whichever falls earlier.

~~3.2.~~ The Management Company shall use the running yield of the underlying Shariah Compliant money market CIS to compute the Bond Floor daily on the following basis:

- a) for investment through money market mutual funds, the actual yield of the fund based on current portfolio.

The Management Company may use a more conservative yield to determine a Bond Floor that is higher than the one derived after using a yield as specified in the above clauses.

** Plan's investment in the Capital Preservation Segment will only be triggered upon occurrence of the event(s) specified in Clause 1.13 (c)

1. The Plan may also invest in other Shariah Compliant Dedicated Equity and Money Market Funds offered by the Management Company and/or other AMCs subject to prior approval of Shari'ah Advisor / SSB, based on the criteria specified in Clause 2.1.1.1
2. The dynamic asset allocation is aimed at providing higher returns through participation in Shariah Compliant Dedicated Equity CIS while aiming to preserve *downside risk of principal* erosion through participation in Shariah Compliant Money Market CIS
3. Allocation between the Shariah Compliant Equity Component and the Shariah Compliant Money Market Component will vary depending upon changes in the Plan Value
4. Allocation to Shariah Compliant Equity Component will generally increase in the case where equity markets are rising, while allocation to the Shariah Compliant Money Market Component will generally increase if the equity markets decline
5. The dynamic allocation mechanism will reallocate Plan's Net Assets, at Pre-Defined Intervals, in such a manner that if on a given business day the Proportion of Equity allocation of the Plan is X% (ranging between 0% to 50%) then the Proportion of Money Market allocation will be 100%-X%.
6. The Plan may place a certain percentage of the Initial Plan Size (adjusted for redemptions, if any, during the Life of the Plan and inclusive of any Front-end Load) into its Shariah Compliant Money Market Fund in order to meet the Plan Expenses
7. The Management Company, from time to time at its discretion may lock-in certain percentage of the profits (if any) from the Shariah Compliant Equity Component by realizing profits. The profits realized in this manner, shall be used by increasing the allocation to the Shariah Compliant Money Market Component.
8. If on any Business Day, or in case of a non-Business Day, the next immediate Business day, the Plan Value falls to a level that it triggers the Bond Floor, the entire Net Assets of the Plan will be allocated to the Capital Preservation Segment, within (3) three Business Days following the date of Occurrence of the aforementioned event(s), so as to ensure Capital Preservation to those Unit Holders who have held their investments for twenty four months and beyond.
9. The Capital Preservation Segment will be invested in Shariah Compliant Money Market based CIS, cash at bank, or a combination of the aforementioned asset classes that will potentially yield a return required to provide Capital Preservation to the Unit-Holders at completion of the duration of Plan

10. Subsequent to occurrence of the event(s) specified in Note 3.8, there shall be no further allocation to the Investment Segment of the Plan (i.e. Equity) till the remaining Life of the Plan

2.1.1.2 Basic Features of NAFA Islamic Capital Preservation Plan –III (NICPP-III)

- (v) All transactions carried out by or on behalf of the Scheme/ Allocation Plans under the Scheme with connected person(s) shall be made as provided in the Constitutive Documents, and shall be disclosed in the Scheme's annual reports.

2.4 Risk Disclosure

Investors must realize that all investments in mutual Funds and securities are subject to market risks. Our target return / dividend range cannot be guaranteed and it should be clearly understood that the portfolio of the Fund is subject to market price fluctuations and other risks inherent in all such investments. The risks emanate from various factors that include, but are not limited to:

- (1) **Equity Risk** - Companies issue equities, or stocks, to help finance their operations and future growth. The Company's performance outlook, market activity and the larger economic picture influence the price of a stock. Usually when the economy is expanding, the outlook for many companies is good and the stock prices may rise and vice versa.
- (2) **Government Regulation Risk** - Government policies or regulations are more prevalent in some securities and financial instruments than in others. Funds that invest in such securities may be affected due to change in these regulations or policies, which directly or indirectly affect the structure of the security and/or in extreme cases a governmental or court order could restrain payment of capital, principal or income.
- (3) **Credit Risk** - Credit Risk comprises Default Risk and Credit Downgrade Risk. Each can have negative impact on the value of securities:
 - **Default Risk** - The risk that the issuer of the security will not be able to pay the obligation, either on time or at all;
 - **Credit Downgrade Risk** – *The risk that credit rating of a security may be downgraded.*
- (4) **Price Risk** - The price risk is defined as when the value of the Fund, due to its holdings in securities rises and falls as a result of change in market prices of those securities.
- (5) **Liquidity Risk** – Liquidity risk is the possibility of deterioration in the price of a security in the Fund when it is offered for sale in the secondary market.
- (6) **Settlement Risk** – At times, the Fund may encounter settlement risk in purchasing / investing and maturing / selling its investments which may affect the Fund's performance etc.
- (7) **Reinvestment Rate Risk**

In a declining profit/ markup rate economic environment, there is a risk that maturing securities or coupon payments will be reinvested at lower rates, which shall reduce the return of the Fund compared to return earned in the preceding quarters.
- (8) **Events Risk** - There may be adjustments to the performance of the Fund due to events including but not limited to, natural calamities, market disruptions, mergers, nationalization, insolvency and changes in tax law.
- (9) **Redemption Risk** - There may be special circumstances in which the redemption of Units may be suspended or the redemption payment may not occur within six working days of receiving a request for redemption from the investor.
- (10) **Shari'ah non-compliance Risk** - The risk associated with non-adherence of Shari'ah guidelines and directives as advised by Shariah Advisor / SSB and SECP Shariah Board etc.

(11) **Sovereign Risk** - There may be special circumstances where there is a probability that a country may not pay its financial obligations on time.

The performance of the Fund may be affected by changes in risk associated with trading volumes, liquidity and settlement systems in equity and debt markets

(12) **CPPI Plan Specific Risks**

I. **Mismatch Risk** – This risk pertains to the event where in case of a Bond Event there is no risk free CIS available for the Plan to invest in that offers the same yield as required for Capital Preservation at maturity.

II. **Gap Risk** – This risk pertains to the Gap event where the Portfolio Value falls below the Present Value (bond floor) of the capital preservation amount required at maturity

III. Performance of the Plan may be affected by changes in risk associated with trading volumes, liquidity and settlement systems in equity and debt/money markets.

IV. Unit-holders are not being offered any guaranteed returns

V. The CPPI Methodology shall be used for Preservation of the principal. In the event the methodology does not accurately evaluate and determine a suitable asset allocation pattern or the structure of portfolio, this may impact the ability of the Plan to provide Capital Preservation on the Maturity Date.

VI. The Plan, in its endeavor to seek Capital Preservation, may allocate the entire portfolio to underlying investments in the Capital Preservation Segment under the Authorized investments in clause 3 and Units of the Plan may remain invested in such underlying investments for the entire tenure of the Plan without any participation in the equity component of the Investment Segment.

VII. At times of high volatility in the equity markets or any other circumstances, it may not be possible to carry out the portfolio rebalancing. In such a case, the reallocation may take place on the next business day or on a business day as deemed appropriate by the Management Company. Such circumstances may affect the Plan's ability to seek Capital Preservation.

VIII. As the allocation of portfolio changes from equity to full money market component consequent to steep fall in equity markets, there may be no participation in subsequent upward movement in the equity component while the Plan remains invested entirely in the money market component

(13) **Early termination risk** - If the Plan for any reasons as determined by the Management Company, is terminated, the NAV of the Plan will be subject to fluctuations in the value of the Plan's assets. The Net Asset Value, in this case, may be lower or higher than the Initial Investment Value. The Management Company will refund investors their investment in the Plan based on the NAV per unit without any redemption fee but less bank and administrative charges (if any)

~~2.4.1~~—There may be times when a portion of the investment portfolio of the Scheme / **Allocation Plans under the Scheme** is not compliant either with the investment policy or the minimum investment criteria of the assigned 'category'. This non-compliance may be due to various reasons including, adverse market conditions, liquidity constraints or investment – specific issues. Investors are advised to study the latest Fund Manager Report specially portfolio composition and Financial Statements of the Scheme **Allocation Plans under the Scheme** to determine what percentage of the assets of the Scheme, if any, is not in compliance with the minimum investment criteria of the assigned category. The latest monthly Fund Manager Report as per the format prescribed by Mutual Funds Association of Pakistan (MUFAP) and financial statements of the Scheme **Allocation Plans under the**

Scheme are available on the website of the Management Company and can be obtained by calling / writing to the Management Company.

- v. Frequency of profit payments
- vi. Systemic Conversion Option

Change will not be allowed in Title of account, CNIC and Joint holders details.

- (b) Fully completed Special Instructions Form has to be submitted by both Individuals and/or Institutional Investor(s). This Form should be delivered to any of the Authorized Branches of the Distribution Companies or may be submitted to the Management Company through an Investment Facilitator within Business Hours on a Dealing Day.
- (c) The applicant must obtain a copy of the Special Instructions Form signed and duly verified by an Authorized Officer of the Distributor or Management Company.
- (d) The Distribution Company and /or Management Company will be entitled to verify the particulars given in the Special Instructions Form. In case of any incorrect information the application may be rejected if the applicant does not rectify the discrepancy.
- (e) The Unit Holder will be liable for any taxes, charges or duties that may be levied on any of the above changes. These taxes, charges or duties may either be recovered by redemption of Unit Holder equivalent Units at the time of the service request or the Management Company may require separate payment for such services.
- (f) Unless the Joint Unit Holder(s) of Units have specified otherwise, all the Joint Unit Holder(s) shall sign the Special Instructions Form for such Units

Transfer, Nomination, Transmission and Systemic Conversion Procedure

4.8.3 Both the transferor and the transferee must sign every instrument of transfer and the transferor shall be deemed to remain the Holder of the Units transferred until the name of the transferee is entered in the register. Every instrument of transfer must be duly completed in all respects including affixation of transfer stamps of the requisite value.

4.8.4 Where Certificates have been issued, the Management Company / Transfer Agent with the consent of the Trustee may dispense with the production of any Certificate that shall have become lost, stolen or destroyed upon compliance by the Unit Holder(s) with the like

requirements to those arising in the case of an application by him for the replacement thereof as provided in this Offering Document. The Management Company or the Transfer Agent shall retain all instruments of transfer.

- 4.8.5 The Transfer Agent shall, with the prior approval of the Management Company or the Management Company itself be entitled to destroy all instruments of transfer or the copies thereof, as the case may be, which have been registered at any time after the expiration of twelve years from the date of registration thereof and all the Certificates which have been cancelled at any time after the expiration of ten years from the date of cancellation thereof and all registers, statements and other records and documents relating to the Trust at any time after the expiration of ten years from transmission to the Trust. The Trustee or the Management Company or the Transfer Agent shall be under no liability, whatsoever, in consequence thereof and it shall conclusively be presumed in favor of the Trustee or the Management Company or the Transfer Agent that every Unit of Transfer so destroyed was a valid and effective instrument duly and properly registered by the Trustee or the Management Company or the Transfer Agent and that every Certificate so destroyed was a valid Certificate duly and properly cancelled, provided that (i) this provision shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document may be relevant; (ii) nothing in this sub-clause shall impose upon the Trustee or the Management Company or the Transfer Agent any liability in respect of the destruction of any document earlier than as aforesaid or in any case where the conditions of provision (i) above are not fulfilled. Reference herein to the destruction of any document includes reference to the disposal thereof in any manner. Complete list of unclaimed dividends will be maintained by AMCs and shall not be destroyed. Unit Holder may nominate any successor/ nominee for transmission, subject to all legal requirements, in case of the decease of Unit Holder.
- 4.8.6 Transmission of Units to successors in case of inheritance or distribution of the estate of a deceased Unit Holder shall be processed by the Transfer Agent or the Management Company itself as Registrar after satisfying as to all legal requirements such as intimation of death of deceased Unit Holder along-with certified copy of death certificate, indemnity from nominee along-with copy of CNIC of nominee and deceased Unit Holder, original unit certificate (in case of physical certificate) etc. The legal costs and taxes, if any, shall be borne and paid by the transferees. However, the processing fee shall not be payable by successors or the beneficiaries of the estate in the case of transmission. The Management Company shall pay the relevant processing fee to the Transfer Agent.
- 4.8.7 A Unit Holder may convert the Units in Allocation Plan managed by the Management Company into Units of another Unit Trust Scheme / Allocation Plan managed by the Management Company by redeeming the Units of first Allocation Plan and issuance of Units of later Scheme(s) / Allocation Plan at the relevant price applicable for the day. The Transfer Agent or Management Company itself shall carry out the conversion after satisfying that all the requisite formalities have been fulfilled and payment of the applicable taxes, fees and/or load, if any, has been received. The Management Company may impose a time limit before which conversion may not be allowed.
- 4.8.8 A Unit Holder may merge the Units which he/she has invested with two folio/registration numbers into one folio/ registration number. The Transfer Agent shall carry out the merger after satisfying that all the requisite formalities have been completed and payment of applicable taxes and fee, if any, has been received.
- 4.8.9 **Partial Transfer**

Partial transfer of Units covered by a single Certificate is permitted provided that in case of physical certificates issued, the Unit Holder must apply for splitting of the unit certificate representing the partial amount and then the new certificate shall be applied for transfer.

4.9 Procedure for Pledge / Lien / Charge of Units

4.9.1 Who Can Apply?

- (a) All Unit Holders of Allocation Plans are eligible to apply for pledge / lien / charge of Units if they so desire. Such Pledge / Lien / Charge can be made via the Pledge of Units Form as attached in Annexure “E” of this Offering Document. These forms may be obtained from Distributors or Investment Facilitators or from the Management Company or through its website. However, if Units are held in CDS account then request should be made to the CDS Participant or the Investor Account Service (IAS) with which the account is maintained, according to the procedure laid down in CDC Regulations.
- (b) Any Unit Holder of Allocation Plan(s) either singly or with Joint Unit Holder(s) (where required) may request the Management Company or Transfer Agent to record a pledge / lien of all or any of his / her/ their Units in favor of any third party legally entitled to invest in such Units in its own right. The Management Company or Transfer Agent shall register a lien on any Unit in favor of any third party with the consent of the Management Company. However, the lien shall be valid only if evidenced by an account statement or letter issued by the Management Company or Transfer Agent with the Units marked in favor of the Pledgee. The onus for due process having been followed in registering a lien shall lie with the party claiming the lien. The pledge / lien / charge shall not be issued to facilitate Unit Holder(s) for obtaining any interest bearing loan or debt.
- (c) The lien once registered shall be removed by the authority of the party in whose favor the lien has been registered or through an order of a competent court. Neither the Trustee, nor the Management Company, nor the Transfer Agent, shall be liable for ensuring the validity of any such pledge / charge / lien. The disbursement of any loan or undertaking of any obligation against the constitution of such pledge/charge/lien by any party shall be at the entire discretion of such party and neither the Trustee nor the Management Company and the Transfer Agent shall take any responsibility in this matter.
- (d) Payments of cash dividends or the issue of bonus Units and redemption proceeds of the Units or any benefits arising from the said Units that are kept under lien / charge / pledge shall be paid to the order of the lien / charge / pledge holder's bank account or posted to the registered address of Pledgee mentioned in the Pledge Form and/or Investor Account Opening Form submitted. In case of Units are pledged through Central Depository System, payments of cash dividends or the issuance of bonus Units goes to the Pledgor as per Central Depositories Act.
- (e) The Distribution Company and / or Management Company will be entitled to verify the particulars given in the Pledge Form. In case of any incorrect information the application may be rejected if the applicant does not rectify the discrepancy.
- (f) Fully completed Pledge of Units Form has to be submitted by both Individuals and/or non-individuals Unit Holders. This Form should be delivered to any of the Authorized Branches of the Distribution Companies or may be submitted to the Management Company directly or through an Investment Facilitator within Business Hours on a Dealing Day.
- (g) All risks and rewards, including the right to redeem such Units and operate such account, shall vest with the pledge / lien / charge holder. This will remain the case until such time as the pledge / lien / charge holder in writing to the Management Company instructs otherwise.

4.10 Temporary Change in Method of Dealing, Suspension of Dealing and Queue System

4.10.1 Temporary Change in the Method of Dealing

Under the circumstances mentioned in Clause 4.10.2 & 4.10.3, Subject to compliance with Regulation (having regard to the interests of Unit Holders), the Management Company may request the Trustee to approve a temporary change in the method of dealing in Units. A permanent change in the method of dealing shall be made after expiry of at least one month's notice to Unit Holders and with the approval of Trustee.

4.10.2 Suspension of Fresh Issue of Units

The Management Company may, under the following circumstances, suspend issue of fresh Units.

- The situation of Force Majeure as defined in this Offering Document;
- A situation in which it is not possible to invest the amount received against issuance of fresh Units or
- Any other situation in which issuance of fresh Units is, in Management Company's opinion, against the interests of the existing/remaining Unit Holders.

Such suspension may however not affect existing Unit Holders of Allocation Plan(s) for the issue of Class "C" and Class "D" Units of pertinent Allocation Plan(s) as a result of profit distribution. The Management Company shall announce the details of circumstances at the time a suspension of fresh issue is announced. The Management Company shall immediately notify SECP and Trustee if issuance of Units of Allocation Plan(s) is suspended and shall also have the fact published, immediately following such decision, in the newspapers in which the Allocation Plans' prices are normally published.

In case of suspension of redemption of Units of Allocation Plan(s) due to extraordinary circumstances the issuance of Units of the pertinent Allocation Plan shall also be kept suspended until and unless redemption of Units is resumed.

In case of suspension of issuance /redemption of Units of Allocation Plan(s), the issuance/redemption of other Allocation Plan(s) may continue unaffected.

Investment application form received on the day of suspension will not be processed and the amount received shall be returned to the investor.

4.10.3 Suspension of Redemption of Units

The Redemption of Units may be suspended during extraordinary circumstances/ Force Majeure.

Redemption requests received on the day of the suspension shall be rejected.

4.10.4 Queue System

In the event redemption requests on any day exceed ten percent (10%) of the Units of Allocation Plan, the Management Company may invoke a Queue System whereby requests for redemption shall be processed on a first come first served basis for up to ten percent (10%) of the Units of Allocation Plan. The Management Company shall proceed to sell adequate assets of the pertinent Allocation Plan and / or arrange financing as it deems fit in

the best interest of all Unit Holders of the pertinent Allocation Plan and shall determine the redemption price to be applied to the redemption requests based on such action. Where it is not practical to determine the chronological ranking of any requests in comparison to others received on the same Dealing Day, such requests shall be processed on basis proportionate to the size of the requests. The Management Company shall provide all redemption requests duly timed and date stamped to the Trustee within 24 hours of receipt of any such request following the queue system. The requests in excess of ten percent (10%) shall be treated as redemption requests qualifying for being processed on the next Dealing Day at the price to be determined for such redemption requests. However, if the carried over requests and the fresh requests received on the next Dealing Day still exceed ten percent (10%) of the Allocation Plan, these shall once again be treated on first come first served basis and the process for generating liquidity and determining the redemption price shall be repeated and such procedure shall continue till such time the outstanding redemption requests come down to a level below ten percent (10%) of the outstanding Units of the Allocation Plan.

4.10.5 Winding up in view of Major Redemptions

In the event the Management Company is of the view that the quantum of redemption requests that have built up are likely to result in the Fund being run down to an unsustainable level or it is of the view that the selloff of assets is likely to result in a significant loss in value for the Unit Holders who are not redeeming, it may announce winding up of the Fund. In such an event, the Queue System, if already invoked, shall cease to apply and all Unit Holders shall be paid after selling the assets under their respective Allocation Plans and determining the final Redemption Price for the Allocation Plans being offered under this Scheme. However, interim distributions of the proceeds may be made if the Management Company finds it feasible. In case of shortfall, neither the Trustee nor the Management Company shall be liable to pay the same.

5. DISTRIBUTION POLICY

5.1 Declaration of Dividend

The Management Company shall decide after the Accounting Period/ interim period whether to distribute among Unit Holders, profits in form of cash dividend, if any, available for the distribution at the end of the Accounting Period and shall advise the Trustee of the amount of such distribution per Unit. The Fund will comply with regulatory and taxation requirements and the distribution policy may be amended accordingly.

The Management Company on behalf of the Scheme / Allocation Plan shall, for every accounting year, distribute by way of dividend to the Unit Holders, not less than ninety per cent of the accounting income of the Collective Investment Scheme received or derived from sources other than capital gains as reduced by such expenses as are chargeable to a Collective Investment Scheme under the Regulations.

This will be done through distribution by way of dividends, for every accounting year, to the Unit Holders of each Allocation Plan, not less than ninety percent of the accounting income for the pertinent Allocation Plan, received or derived from sources other than capital gains as reduced by such expenses pertaining to that Allocation Plan.

For the purpose of this Clause the expression “accounting income” means income calculated in accordance with the requirements of International Accounting Standards (IAS) as are notified under the Companies Act 2017, the Regulations and the directives issued by SECP. Wherever the requirement of Regulations or the directives issued by SECP differs with the requirement of IAS, the Regulations and the said directives shall prevail.

5.2 Determination of Distributable Income

~~The amount available for distribution in respect of any Accounting Period shall be the sum of all income other than capital gains, from which shall be deducted:~~

- ~~• the expenses, as stated in Clause 6.2 to 6.4 of this Offering Document; and~~
- ~~• any taxes of the Fund~~

~~All the receipts deemed by the Management Company to be in the nature of capital accruing from Investments shall not be regarded as available for distribution but shall be retained as part of the Trust Property under the pertinent Allocation Plan, provided that such amounts out of the sale proceeds of the Investments and all other receipts as deemed by the Management Company to be in the nature of the net realized appreciation may be distributable to the Unit Holders of the Allocation Plan by the Trustee upon instructions of the Management Company and shall thereafter cease to form part of the Fund Property under the Allocation Plan.~~

The amount available for distribution in respect of any Accounting Period shall be determined by the Management Company and shall be the sum total of:

- a) The total income earned on the Trust Property during such Accounting Period including all amounts received in respect of payouts, profit etc.
- (b) Whole or part of the realized and/or unrealized appreciation of Investment Assets, at the option of the Management Company.
- (c) From the above amounts shall be deducted expenses and such other adjustment as the Management Company may determine.⁸

5.3 Payment of Dividend

All payments for dividend shall be made through payment instruments or transfer of Funds to the Unit Holder's designated bank account or the charge-holder's designated bank account in case of lien / pledge of Units as the case may be or through any other mode of payment with the approval of Commission and such payment shall be subject to the Regulations and any other applicable laws and taxes.

5.4 Dispatch of Dividend Warrants/Advice
