Investment Objective
To provide preservation of capital and earn a reasonable rate of return along with a high degree of liquidity by investing in Shariah Compliant banks and money market / debt securities.

Fund Manager Commentary
The Fund generated an annualized return of 15.1% p.a. for the month versus the Benchmark return of 6.6% p.a. This reported return is net of management fee and all other expenses.

The Fund aims to consistently provide better return than the profit rates offered by Islamic Banks / Islamic windows of commercial banks, while also providing easy liquidity along with a high-quality credit profile.

Around 63% of net assets of the portfolio are invested in bank deposits which enhance the liquidity profile of the Fund. The weighted average time to maturity of the Fund is around 1.1 years.

We will rebalance the allocation of the Fund proactively based on the capital market outlook.
