

Safety & Security With Ease

Your security is our priority

NBP Funds Gold Debit Card

EMV CHIP TECHNOLOGY

Enjoy a hassle free shopping experience with your NBP Funds Gold Debit Card enabled with EMV Chip technology allowing you to make fast and easy payments without worrying about carrying cash.

PIN TECHNOLOGY

Enjoy safe and secure shopping experience. The **PIN** technology enables you to prevent anyone from using your Debit Card without your knowledge. POS transactions can only be completed by entering the secret **PIN** code you have set for your Debit Card.

CONTACTLESS CHIP TECHNOLOGY

Enter the era of cashless transactions simply tap to pay where you see contactless symbol to enjoy quick, easy and secure purchases.

24/7 PROTECTION

Enjoy round-the-clock protection of your NBP Funds Gold Debit Card. Our dedicated teams monitor all account activities, and our customer service representatives are always available to assist you. Call 0800-20002 immediately if you suspect any fraudulent or illegal activity against your Debit Card, or if your card gets lost or stolen.

SMS ALERTS

Receive real-time SMS alerts on your registered mobile number to stay updated about every transaction made against your NBP Funds Gold Debit Card.

Tips against **FRAUD** and **THEFT**:

- Do not share your card details with any person. Your card details are private & confidential.
- Always keep your Debit Card in a safe place.
- Protect your **PIN** by memorizing it. Never note down your **PIN** on your card or share it with anyone.
- Do not allow any other person, including your blood relatives, to use your Debit Card.
- Reconcile the charges appearing in your statement to ensure card safety.
- Always keep your Debit Card in sight while it is being handled by anyone else. Beware of card skimmers.
- Immediately call NBP Funds helpline at 0800-20002 if you suspect someone has illegally used your card.
- Report your lost/stolen Debit Card immediately to ensure that it is blocked.
